FRÍANT

The Perfect Match.

Lune Training Table

Flexibility and ease of motion make these tables easy to setup and configure into a wide range of spaces.

Soleil Folding Chair

Durable and lightweight, these chairs are easy to quickly fold or unfold, allowing for ease of storage, quick room setup and breakdown. Even when folded, smooth-glide castors allow the chairs to be effortlessly distributed or gathered.

Lune Training Table Features and Functions

Lock/Unlock Control Mechanism

The simple flip-top mechanism is designed for single-handed operation

Aluminum Column and Cold-Rolled Steel Beam

Base components provide added strength to the Lune table base with die-cast aluminum design

Castor with Brakes

Quickly and easily lock the table in place. Easy-glide castors make for nonstick and easy movement

Modesty Panel

Add optional privacy to any of our work surfaces. On 72" tops, modesty panels are required
