DESIGN SENSE MEETS BUSINESS SENSE™

INTERRA & DASH

2016

INTRODUCTION

Our Advantage program is the cornerstone of Friant — our newest products meet the needs of all contemporary space planning and are offered exclusively to our Advantage dealers. Specified individually or together, these two product lines — Dash and Interra — will meet 90% of modern office furnishing needs." Paul Friant, President

INTERRA

ELEVATED DESIGN GROUNDED PRICEPOINT

Interra offers a modern and flexible design aesthetic with slim segmented panels and multiple finish options.

A frame and tile system with sturdy 2.5” panels, Interra is stackable for easy modifications. Available in five tile finishes: fabric, glass, metal, whiteboard and rail. Overhead storage can be upmounted with pneumatic lift or sliding doors. Offered with a limited lifetime warranty.

INTERRA

"I've had multiple visitors ask for the product by name. It looks that good."

Nader Sadrzadeh, V.P. of Operations at Rohm

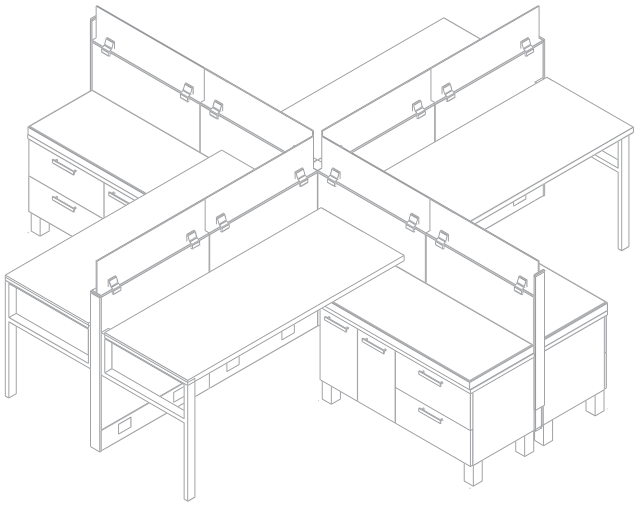

INTERRA

TYPICALS

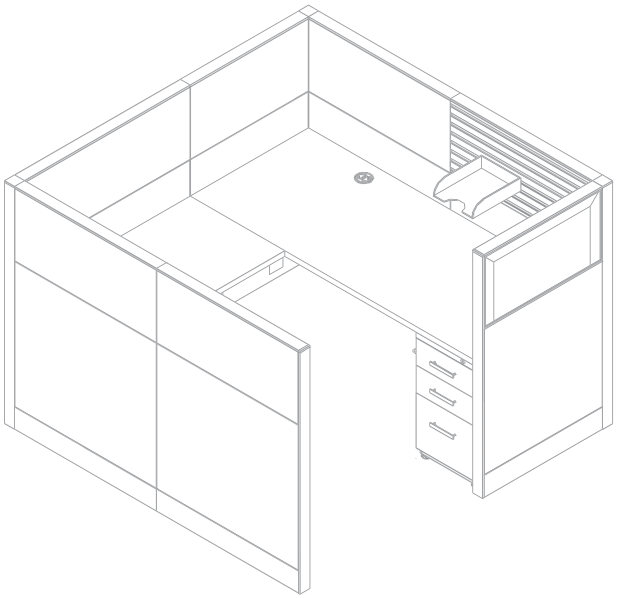

5X5, 37H FRAMELESS GLASS

- Frameless glass
- Credenza with cushion
- Metal P-leg

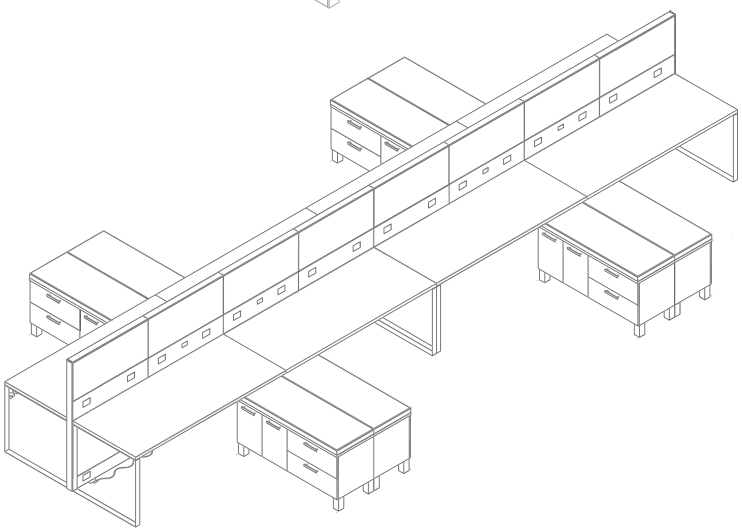

6X6, 53H, FABRIC, RAIL TILE

- Fabric, window and rail tiles
- Two pedestals per station

6X6, 53H, CREDENZA

- Fabric tiles
- One credenza per station, with cushions
- Beltline power

Interra offers beltline power, acoustical/tackable tiles, and five tile options — fabric, glass, metal, whiteboard and rail

FEATURES & BENEFITS

- Frame and tile system with slim silhouette and 2.5” panels
- Stackable for easy modifications
- Fabric tiles are acoustical and tackable (except 8”H fabric tile, which is magnetic)
- 5 tiles options — fabric, window, perforated metal, whiteboard, rail
- 4 worksurface leg options and 3 panel base options
- 10 laminate worksurface colors
- Optional open base panels, tile to floor, frameless glass, and privacy screens are available
- Overhead storage can be upmounted with pneumatic lift or sliding doors
- Lower storage includes credenzas, towers, pedestals/laterals
- Two paint finishes, Cloud White (CW) and Black Umber (BU)
- 36 Friant fabrics available
- Limited lifetime warranty to original owner

ELECTRICAL/TECHNICAL

- Pre-installed 8-wire, 4 20-amp circuits, with easy connections
- Power available at baseline or beltline
- Powered and non-powered panel options
- Large 5” x 2.5” base with hinged base covers
- Over 70 Cat 5 cables in powered base or beltline

ENVIRONMENT

- Up to 75% recyclable (all materials except wood are recyclable due to its finishes and adhesives)
- Up to 47% recycled content (25% pre-consumer, 22% post-consumer) in a typical configuration
- Depending on specifications, may contribute to LEED points

NIMBLE & MODERN DESKING

Easy to reconfigure to fit the most diverse and complex space planning needs.

Dash offers mix and match components with endless configuration possibilities to meet all contemporary space planning needs. Our most versatile product line, Dash has built-in worksurface power troughs, privacy screens and multiple storage options. Available in Cloud White casing with three worksurface and facing finishes: Espresso, Cherry and Maple.

Designed and assembled in California, Dash meets strict CARB air emission standards and is offered with a limited lifetime warranty.

Power trough in worksurfaces

"With Friant, there's no compromising quality for budget — their products work with my most high end design projects."

Nancy Callahan, Callahan Design Group

FEATURES & BENEFITS

- Mix and match desking system integrates seamlessly with Interra
- Successfully configures for open-plan or private office
- Clean, white casing finish with worksurface and facings available in Espresso, Cherry or Maple
- Discreet power troughs for easy access to power and clean aesthetic
- Shared sliding overhead storage and wall mounted overheads with swing doors
- Sleek metal pulls
- Designed and assembled in California
- Limited lifetime warranty to original owner

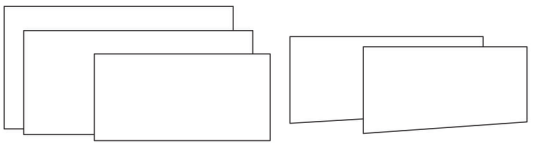

ELECTRICAL/TECHNICAL

- Powered and non-powered credenzas
- Available with 4-circuit hardwired power or 1-circuit plug in power
- Power trough allows for easy power access and clean wire management

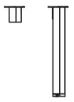

ENVIRONMENT

- Water-based, non-toxic low-emission adhesives
- 73% recycled content in a typical desk
- May contribute to LEED points

INTEGRATION

INTERRA+DASH

SEAMLESS INTEGRATION

“Partnering with Friant has been the secret weapon in my business. Their products meet the need for both designers and end users every time.” **Tom Michiels,** T Mark Interiors, Inc.

Dash offers a fresh and clean look for desking and storage; shown here with Interra wall support in fabric tiles, pneumatic overheads and Espresso facing. Madison and Axiom seating shown.

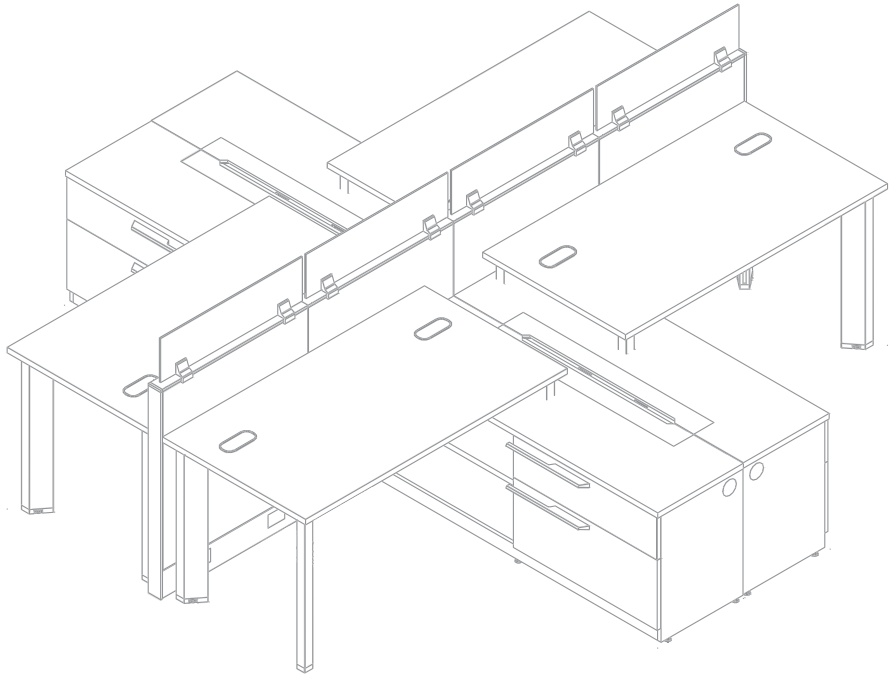

Interra and Dash were designed to work seamlessly together. Whether private office or open plan, the variety of heights, storage units, desk shapes and finishes integrate to meet any space planning need.

INTERRA+DASH
