Terms and Conditions

PRICES
All Prices are F.O.B. point (Continental U.S.). We reserve the right to change prices without prior notice.

ORDERING
Purchase Orders should be sent to Friant & Associates, LLC at orders@friant.com, or faxed to (510) 535-6895. If your specifications were created with CAP, GIZA or Project Matrix, please send the worksheet (SP4) with your Purchase Order.

TERMS
Net 30 days from date of invoice. Invoices are delinquent if not paid 30 days from date of invoice. In the event timely payment is not made, interest will be charged at the rate of 1.5% per month on delinquent accounts. Buyers will also be liable for normal collection costs and attorney's fee. 50% deposit is required with every order, unless prior arrangements have been made.

ORDERS
Orders are only accepted by issuance of our formal acknowledgment, and are subject to the terms set forth herein and on our order acknowledgment. It is the responsibility of the buyer to review our acknowledgment for accuracy.

LEAD TIME
Lead times are subject to availability.

SHIPPING
Friant generally palletizes, boxes and/or shrink-wraps its products. If buyer requests additional packaging or special shipping, then it is responsible for any extra costs that result. Buyer obtains title to products and assumes the risk of loss for them upon shipment from Friant's plant.

CLAIMS
We are not responsible for damage suffered in transit. Merchandise should be inspected for possible freight damage upon delivery. The consignee should file for damage or shortages with the carrier within 5 days of delivery. You are also protected for "concealed damage" if you file claim with the carrier within 5 days of delivery. Buyer must make all claims against Friant for defects, errors or shortages in writing within 10 days after delivery. Failure to make such a claim shall constitute full acceptance.

RETURNS
No merchandise may be returned without our written consent and shipping instructions. Unauthorized returns will not be accepted and will be returned freight collect.

PARTIAL SHIPMENTS
We will make every attempt to ship orders complete and on schedule. However, we reserve the right to make partial shipments, as merchandise is ready. Invoices covering these shipments are to be paid as they become due.

ORDER CHANGE — CANCELLATIONS
Our order confirmation is final and binding. Any order change or cancellation is subject to our ability to conform. For the most up to date information, always review the order change/cancellation policy online. Allowable changes within the posted policy must be made in writing.

SHIPMENT AND PREPAID FREIGHT
Unless otherwise instructed, we reserve the option to ship by what is, in our opinion, the best possible way. Upon request, we will prepay and add freight for accounts with established credit.

DELIVERY
We are not liable for delay or failure of delivery due to strikes and/or differences with workmen, war, riot, fire, compliance with government regulations, acts of nature, failure or delays of sources of supply, or any other causes beyond our control.

STORAGE
If buyer cannot accept delivery when merchandise is ready, we reserve the right to transfer goods to storage. Costs of transfer and storage will be charged to the buyer's account, and we will deem such transfer as constituting shipment for all purposes, including invoicing, as of the date the transfer is made.

Terms and Conditions continued..

CONSTRUCTION — SPECIFICATIONS

All items are produced to price list specifications unless otherwise advised. All dimensions shown are approximate. Manufacturer reserves the right to make modifications and/or improvements without prior notice.

FABRIC APPLICATION

Standard fabric application for panels 67" and below is Non-Directional application. Panels taller than 67" are only available in Directional application. When ordering panels 67" and below to match a panel taller than 67", specify matching direction.

Please note: Certain product construction and sizes require fabric to be applied only Directionally or Non-Directionally.. See individual pricebook specifications for details.

Friant & Associates is not responsible for charges associated with replacement of products due to incorrect specifications.

CUSTOMER'S OWN MATERIAL

Yardage requirement is based on 66" wide plain covering material, and must be increased if less than 66" wide. Special instructions for handling material (pattern, directional fabric, right side of reversible fabric, etc.) must be submitted in writing before fabric is delivered. In the absence of special instructions, we reserve the right to use our own judgment. We reserve the right to reject any covering, which in our opinion, is unsuitable for our upholstery purposes. However, in no instance shall we be held responsible for unsatisfactory results due to use of covering unsuitable for our upholstery methods.

We will not be responsible for errors caused by buyers not supplying us with sample cuttings attached to their order giving full identification of covering material, (name of supplier, covering name, number and color) for identification purposes and advising us of model number and quantity to which each cover is to be applied.

Customer's own material that is shipped freight collect will be refused. A service charge will be applied for the return of unusable C.O.M. Contact factory.

RIGHTS AND WARRANTIES — LIMITED LIFETIME WARRANTY

This warranty is given to the initial purchaser and is valid from the date of purchase, for as long as the initial purchaser owns the product. This warranty covers defects in material and craftsmanship found during normal usage of the product during the warranty period. Normal usage is defined by 8 hour shifts in the product's intended application and in an indoor environment that conforms to the ANSI/ASHRAE Standard 55: Thermal Environmental Conditions for Human Occupancy (relating to air temperature, mean radiant temperature, air velocity, clothing insulation, metabolic rate, and humidity). Friant's warranty does not cover usage other than normal usage as defined in the previous sentence. If the product is defective, and if written notice of the defect is given to Friant & Associates within the applicable warranty period, Friant & Associates, at its option, will either repair or replace the defective product with a comparable component or product. This warranty applies to all products except as noted below.

High wear parts, such as wood veneer, fabrics, laminates, and other covering material/finishes, foam. glides, etc. are warranted for one (1) year. This warranty does not apply to damage caused by a carrier, alteration to the product not expressly authorized by Friant & Associates, nor to product considered to be of a consumable nature such as bulbs, light ballasts, etc. It also does not apply to "Customer's Own Material" (i.e. material specified by the customer that is not a standard Friant & Associates offering) used in the manufacture of Friant & Associates products.

Our warranty for LED lights is 2 years.

Friant & Associates does not warrant the matching of colors, grain or texture, except to within commercially acceptable standards. This includes normal variations between dye lots (fabrics).

A product will not be considered defective, and Friant & Associates will not be obligated to replace it, if it is not installed in a proper manner (i.e. product not leveled, not secured properly, etc.) or if it is not used in a manner and/or in an environment that constitutes normal usage, as defined above.

Except as noted above, Friant & Associates makes no express or implied warranties to any product, and in particular makes no warranty of fitness for any particular use. At Friant & Associates' option, product repair and replacement is the customer's exclusive remedy for any and all product defects.

Friant & Associates shall not be liable for consequential, economic, or incidental damages arising from any product defect.

Customer's own material that is shipped freight collect will be refused. A service charge will be applied for the return of unusable C.O.M. Contact factory.

NOTE: Order fabric/ finish samples online at www.friant.com

Pattern Direction

- Fabric direction is not always determined by the way the pattern is shown on memo sample.
- Certain product construction and sizes require fabric to be applied only Directionally or Non-Directionally.
- Some products have fabric applied either Directionally or Non-Directionally. (Upcharges may apply on some products, see price books for details).
- Please refer to our **Materials Reference Guide** on the Dealer Resource Center for specific pattern application defaults on all of our products : http://dealers.friant.com/dealers/product-literature/
- Our Customer Service Team is happy to answer any questions regarding fabric direction.

Maximum Panel Run - Recommended Guidelines

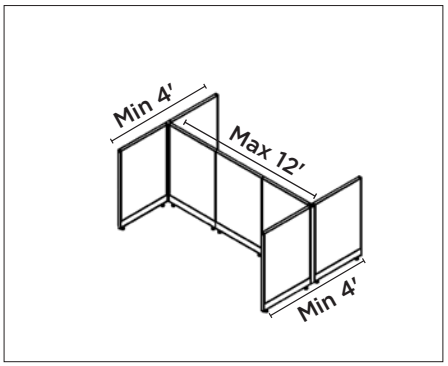

Panel runs need wall starts or wing panels for stability. Exceeding the recommended guidelines shown below may result in unstable panel configurations. Panels that are not properly supported will **yield** when pressure is applied.

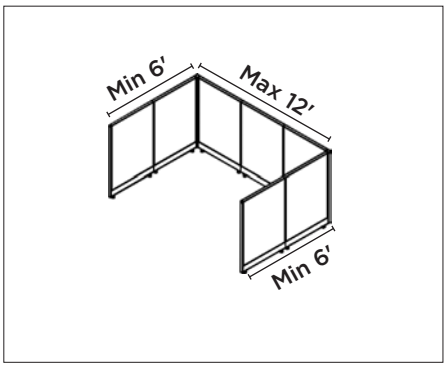

Panels made up of all window tiles are excepted from these guidelines. For all glass panels, we would be happy to discuss on a case-by case basis, please contact design@friant.com

- Panel to panel festoons included with beltline retro
- Connect beltline power retros at connectors with festoons, just like at base

Placement of Markerboard Tile

- Markerboard tiles can only be placed in certain locations on a frame. Please see guide below for tile locations available for each frame height. **Tiles can only be placed in locations shown.**
- Some tile locations require special brackets. Specify brackets on pg 62.
  - **FIMT-B** is for attaching a 32"H markerboard tile on a 37"H frame
  - **FIBLMB.H** is for attaching a 32"H markerboard tile at the bottom of frames 53"H and taller
  - Note: These brackets cannot be used on frames with beltline power
- Markerboard tiles cannot be installed on stacking frames, wall strips nor tile adapters.
- Specify markerboard tiles on pg 74.

How To Specify My-Hite 2-Piece Extended Corner or Rectangular Tops

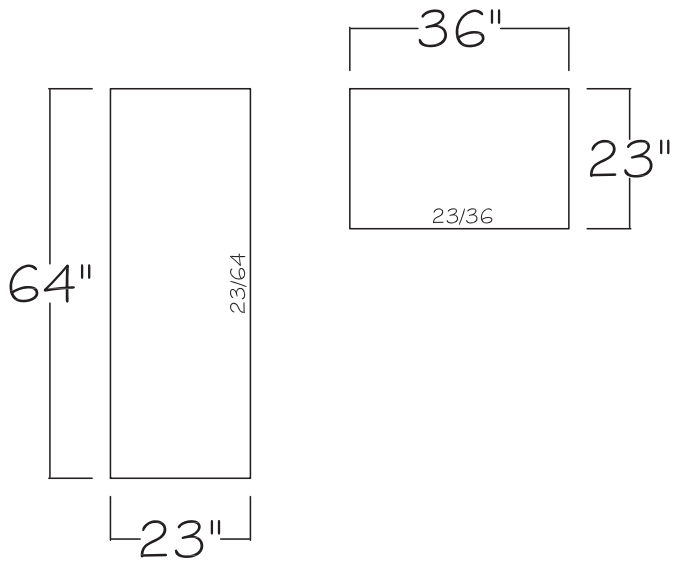

Use a FVFB.08 Flat Bracket pair to attach the two surfaces, making sure the seam is oriented so that it is supported by the continuous part of the My-Hite Corner Base. Maximum width combined: 84x84" (All My-Hite bases) or 72x96" (3 Stage base only). Specify the Rectangular Extension on page 118.

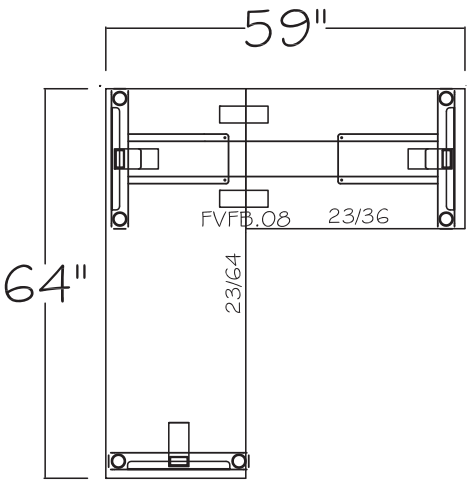

To create an extended corner My-Hite station, specify an Extended Curved Corner with a Rectangular Extension.

To create a two piece rectangular corner top, specify two rectangular tops, or a rectangular top and one rectangular extension.

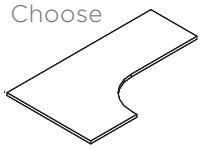

Grommet Locations For use w/ My-Hite Tops

1 Select a My-Hite worksurface

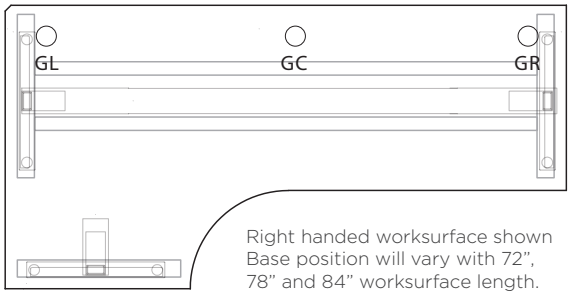

My-Hite tops (starting on page 113) have optional grommets. Please use the two letter codes shown here when specifying location of grommets.

Grommets are 3" round with cover standard.

Stacking Frame attaches to the top of a Standard Frame, and holds individual tiles on both sides.

NOTES

- One stacking frame can be added to a base frame to a maximum height of 85".
- Vertical and horizontal markerboards cannot be installed on stacking frames.
- Attachment hardware is included.
- Overhead storage can hang from the stacking frame if the frame is next to a post or another frame.
- Stacking Frames are not able to be used on 61"H base frames, connectors and trim are not offered for that combined height
- Specify connectors equal to the combined height of base and stacking frame.
- Top Cap is removed from existing frame, and re-used on Stacking Frame
- When using Stacking Frame next to a frame or connector of a different height, order Change of Height Trim Package.

PART #	HEIGHT	WIDTH	DEPTH	PRICE
FITA.08	8	—	—	$18
FITA.16	16	—	—	$36
FITA.32	32	—	—	$45

NOTES

Tile Adapters are used to hang tiles from a Wall Strip.

It cannot be used for a Window Tile, Cable Access, Power and Data Access Tiles, or Markerboard.

Sold in pairs.

Order Wall Strip separately.

Finish: Black only.

When using a combination of Tile Adapter, to achieve the correct height needed, 8"H Adapter must be used at the bottom.

Additional Notes:

- 8" tile adapters for use only at the bottom of a 40" or 56" wall strip. Not for use in any other position nor in 64/80" high wall strips
- Tile adapter dimension does not need to match the tiles installed (i.e. a 24" tile should be installed on a 32" tile adapter)
- When using a 32"H tile adapter, do not use an 8"H tile in the bottom position

MARKERBOARD TILE EXTENDED BRACKETS

90° Extended Notched Corner | Worksurface

Right Extended shown

DESCRIPTION

Worksurface hangs from a frame or Wall Strips. It has a laminate top and a PVC edge. 54" to 84" worksurfaces have center support.

NOTES

- Includes two grommets, cantilever brackets, one corner bracket, and attachment hardware.
- Worksurfaces have one grommet 4" from the corner of the worksurface and one grommet 18" from the extended end of the worksurface.
- Specify L for left extended and R for right extended.

When ordering a worksurface spanning a panel and a 3-Way or Spacer Connector, or two panels with a 3-Way or Spacer Connector in between the panels, you will need to:

- add 2 9/16" to the length of the worksurface
- add "-3W" to the part number
- add $80 to the list price

Example:
Two 30" Frames with one 3-Way Connector equals to 62 9/16". In this case, order FIENCWS.24366024L-3W ($442 + $80 = $522)

- Mending plates are included with rectangular worksurfaces only.
- Order mending plates separately if placing a this worksurface next to another non-rectangular worksurface.
