MY-HITE

2 Stage Sit-Stand Desk

The freedom of flexibility just got better with our new My-Hite 2 Stage. Designed to promote adaptable spaces. My-Hite provides an essential range of height options with four programmable presets users can transition from sitting to standing in seconds. Our 2 Stage is a comfortable and affordable solution for all modern offices. Just like our 3 Stage, it brings total flexibility to your workspace for all your height-adjustable needs.
