Terms and Conditions

QUICKSHIP PROGRAM
Designed for complete workstation orders and parts may not be ordered separately. Orders with the Quickship program are limited to under 50 workstations. For larger orders, please contact your customer service representative for availability. 5 Day Quickship orders must be on separate P.O.s and cannot be combined with standard lead time orders.

PRICES
All prices are delivered to the Continental US. We reserve the right to make changes without prior notice.

ORDERING
Purchase Orders should be sent to Friant & Associates, LLC at orders@friant.com, or faxed to (510) 535-6895. If your specifications were created with CAP, GIZA, or Project Matrix please send the worksheet (SP4) with your Purchase Order. PO's must be marked with 5 DAY PROGRAM.

MAXIMUM ORDER
All of our 5 day Quickship programs will be offered with a maximum order size of $20,000 net. We encourage our customers to check stock on orders over $20,000 as we may be able to accommodate larger opportunities which require 5 day lead time.

TERMS
Customer's established payment terms apply, with the exception of applicable deposit due at order entry, rather than order shipment.

ORDERS
Orders are only accepted by issuance of our formal acknowledgment, and are subject to the terms set forth herein and on our order acknowledgment. It is the responsibility of the buyer to review our acknowledgment for accuracy.

LEAD TIME
Lead time is 5 business days after receipt of clean order and deposit (if applicable)

SHIPPING
Friant generally palletizes, boxes and/or shrink-wraps its products. If buyer requests additional packaging or special shipping, then it is responsible for any extra costs that result. Buyer obtains title to products and assumes the risk of loss for them upon shipment from Friant's plant.

CLAIMS
We are not responsible for damage suffered in transit. Merchandise should be inspected for possible freight damage upon delivery. The consignee should file for damage or shortages with the carrier within 5 days of delivery. You are also protected for "concealed damage" if you file claim with the carrier within 5 days of delivery. Buyer must make all claims against Friant for defects, errors or shortages in writing within 10 days after delivery. Failure to make such a claim shall constitute full acceptance.

RETURNS
No merchandise may be returned without our written consent and shipping instructions. Unauthorized returns will not be accepted and will be returned freight collect.

PARTIAL SHIPMENTS
We will make every attempt to ship orders complete and on schedule. However, we reserve the right to make partial shipments, as merchandise is ready. Invoices covering these shipments are to be paid as they become due.

ORDER CHANGE — CANCELLATIONS
Our order acknowledgement is final and binding. No changes are allowed after order receipt.

SHIPMENT AND PREPAID FREIGHT
Unless otherwise instructed, we reserve the option to ship by what is, in our opinion, the best possible way. Upon request, we will prepay and add freight for accounts with established credit.

DELIVERY
We are not liable for delay or failure of delivery due to strikes and/or differences with workmen, war, riot, fire, compliance with government regulations, acts of nature, failure or delays of sources of supply, or any other causes beyond our control.

STORAGE
Orders will ship or be will called on acknowledged date. If buyer cannot accept delivery when merchandise is ready, we reserve the right to transfer goods to storage. Costs of transfer and storage will be charged to the buyer's account.

Terms and Conditions continued..

CONSTRUCTION — SPECIFICATIONS

All items are produced to price list specifications unless otherwise advised. All dimensions shown are approximate. Manufacturer reserves the right to make modifications and/or improvements without prior notice.

FABRIC APPLICATION

Standard fabric application for panels 67" and below is Non-Directional application. Panels taller than 67" are only available in Directional application. When ordering panels 67" and below to match a panel taller than 67", specify matching direction. See individual pricebook specifications for details.

Friant & Associates is not responsible for charges associated with replacement of products due to incorrect specifications.

RIGHTS AND WARRANTIES — LIMITED LIFETIME WARRANTY

This warranty is given to the initial purchaser and is valid from the date of purchase, for as long as the initial purchaser owns the product. This warranty covers defects in material and craftsmanship found during normal usage of the product during the warranty period. Normal usage is defined by 8 hour shifts in the product's intended application and in an indoor environment that conforms to the ANSI/ASHRAE Standard 55: Thermal Environmental Conditions for Human Occupancy (relating to air temperature, mean radiant temperature, air velocity, clothing insulation, metabolic rate, and humidity). Friant's warranty does not cover usage other than normal usage as defined in the previous sentence. If the product is defective, and if written notice of the defect is given to Friant & Associates within the applicable warranty period, Friant & Associates, at its option, will either repair or replace the defective product with a comparable component or product. This warranty applies to all products except as noted below.

High wear parts, such as wood veneer, fabrics, laminates and other covering material/finishes, foam. glides, etc. are warranted for one (1) year. This warranty does not apply to damage caused by a carrier, alteration to the product not expressly authorized by Friant & Associates, nor to product considered to be of a consumable nature such as bulbs, light ballasts, etc. It also does not apply to "Customer's Own Material" (i.e. material specified by the customer that is not a standard Friant & Associates offering) used in the manufacture of Friant & Associates products.

Our warranty for LED lights is 2 years.

Friant & Associates does not warrant the matching of colors, grain or texture, except to within commercially acceptable standards. This includes normal variations between dye lots (fabrics).

A product will not be considered defective, and Friant & Associates will not be obligated to replace it, if it is not installed in a proper manner (i.e. product not leveled, not secured properly, etc.) or if it is not used in a manner and/or in an environment that constitutes normal usage, as defined above.

Except as noted above, Friant & Associates makes no express or implied warranties to any product, and in particular makes no warranty of fitness for any particular use. At Friant & Associates' option, product repair and replacement is the customer's exclusive remedy for any and all product defects.

Friant & Associates shall not be liable for consequential, economic, or incidental damages arising from any product defect.

Pattern Direction

- Fabric direction is not always determined by the way the pattern is shown on memo sample.
- Certain product construction and sizes require fabric to be applied only Directionally or Non-Directionally.
- Some products have fabric applied either Directionally or Non-Directionally. (Upcharges may apply on some products, see price books for details).
- Please refer to our **Materials Reference Guide** on the Dealer Resource Center for specific pattern application defaults on all of our products: http://dealers.friant.com/dealers/product-literature/
- Our Customer Service Team is happy to answer any questions regarding fabric direction.

Maximum Panel Run - Recommended Guidelines

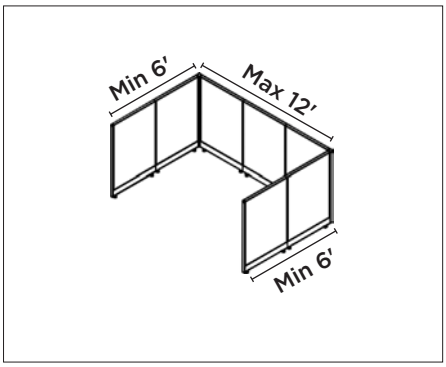

Panel runs need wall starts or wing panels for stability. Exceeding the recommended guidelines shown below may result in unstable panel configurations. Panels that are not properly supported will **yield** when pressure is applied.

Festoons

Festoons connect powered panels in a straight line or through connectors. All Novo powered panels will come with a panel to panel festoon, which extends power in a straight line from panel to panel. Because these are included, there is no need to order them separately.
Festoons will only need to be ordered separately when bringing power across a connector. Novo uses two different festoon sizes to achieve different connections. Please see below for details and specify festoons on page 33

90° Angle Festoon

- Part number Q5FHCPK.90 on page 33
- Extends power at a 90 degree angle through a 2-way, 3-way, or 4-way connector

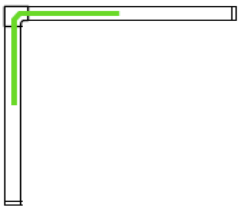

Panel Through Post Festoon

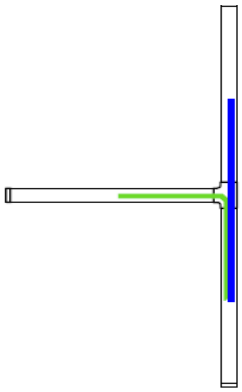

- Part number Q5FHCPK.1 on page 33
- Extends power in a straight line through 90 ° 3-way or 4-way connector.
