FRÍANT

MESA

2018

OVERVIEW

Mesa powers worldwide communication with a cutting edge Smart Trough built right into the table, accommodating large amounts of voice/data and electrical wiring and powering up everyone at the table. With cables out of sight, the surface remains uncluttered and conducive to focus and planning.

Mesa is as green as it is innovative, with surfaces that offer air quality assurance and LEED point contributions for recycled content. Additional points are available if certified wood or rapidly renewable materials are specified.

FEATURES & BENEFITS

- Separate channels organize power and data cables, with entry points on the surface and in the bases
- Brushed door openings for protection and easy access
- Bases allow for wire entry and additional wire storage
- Custom veneer and metal inlays available
- Materials offer air quality assurance and LEED point contributions for recycled content
