WHERE FUN AND FUNCTION CONNECT

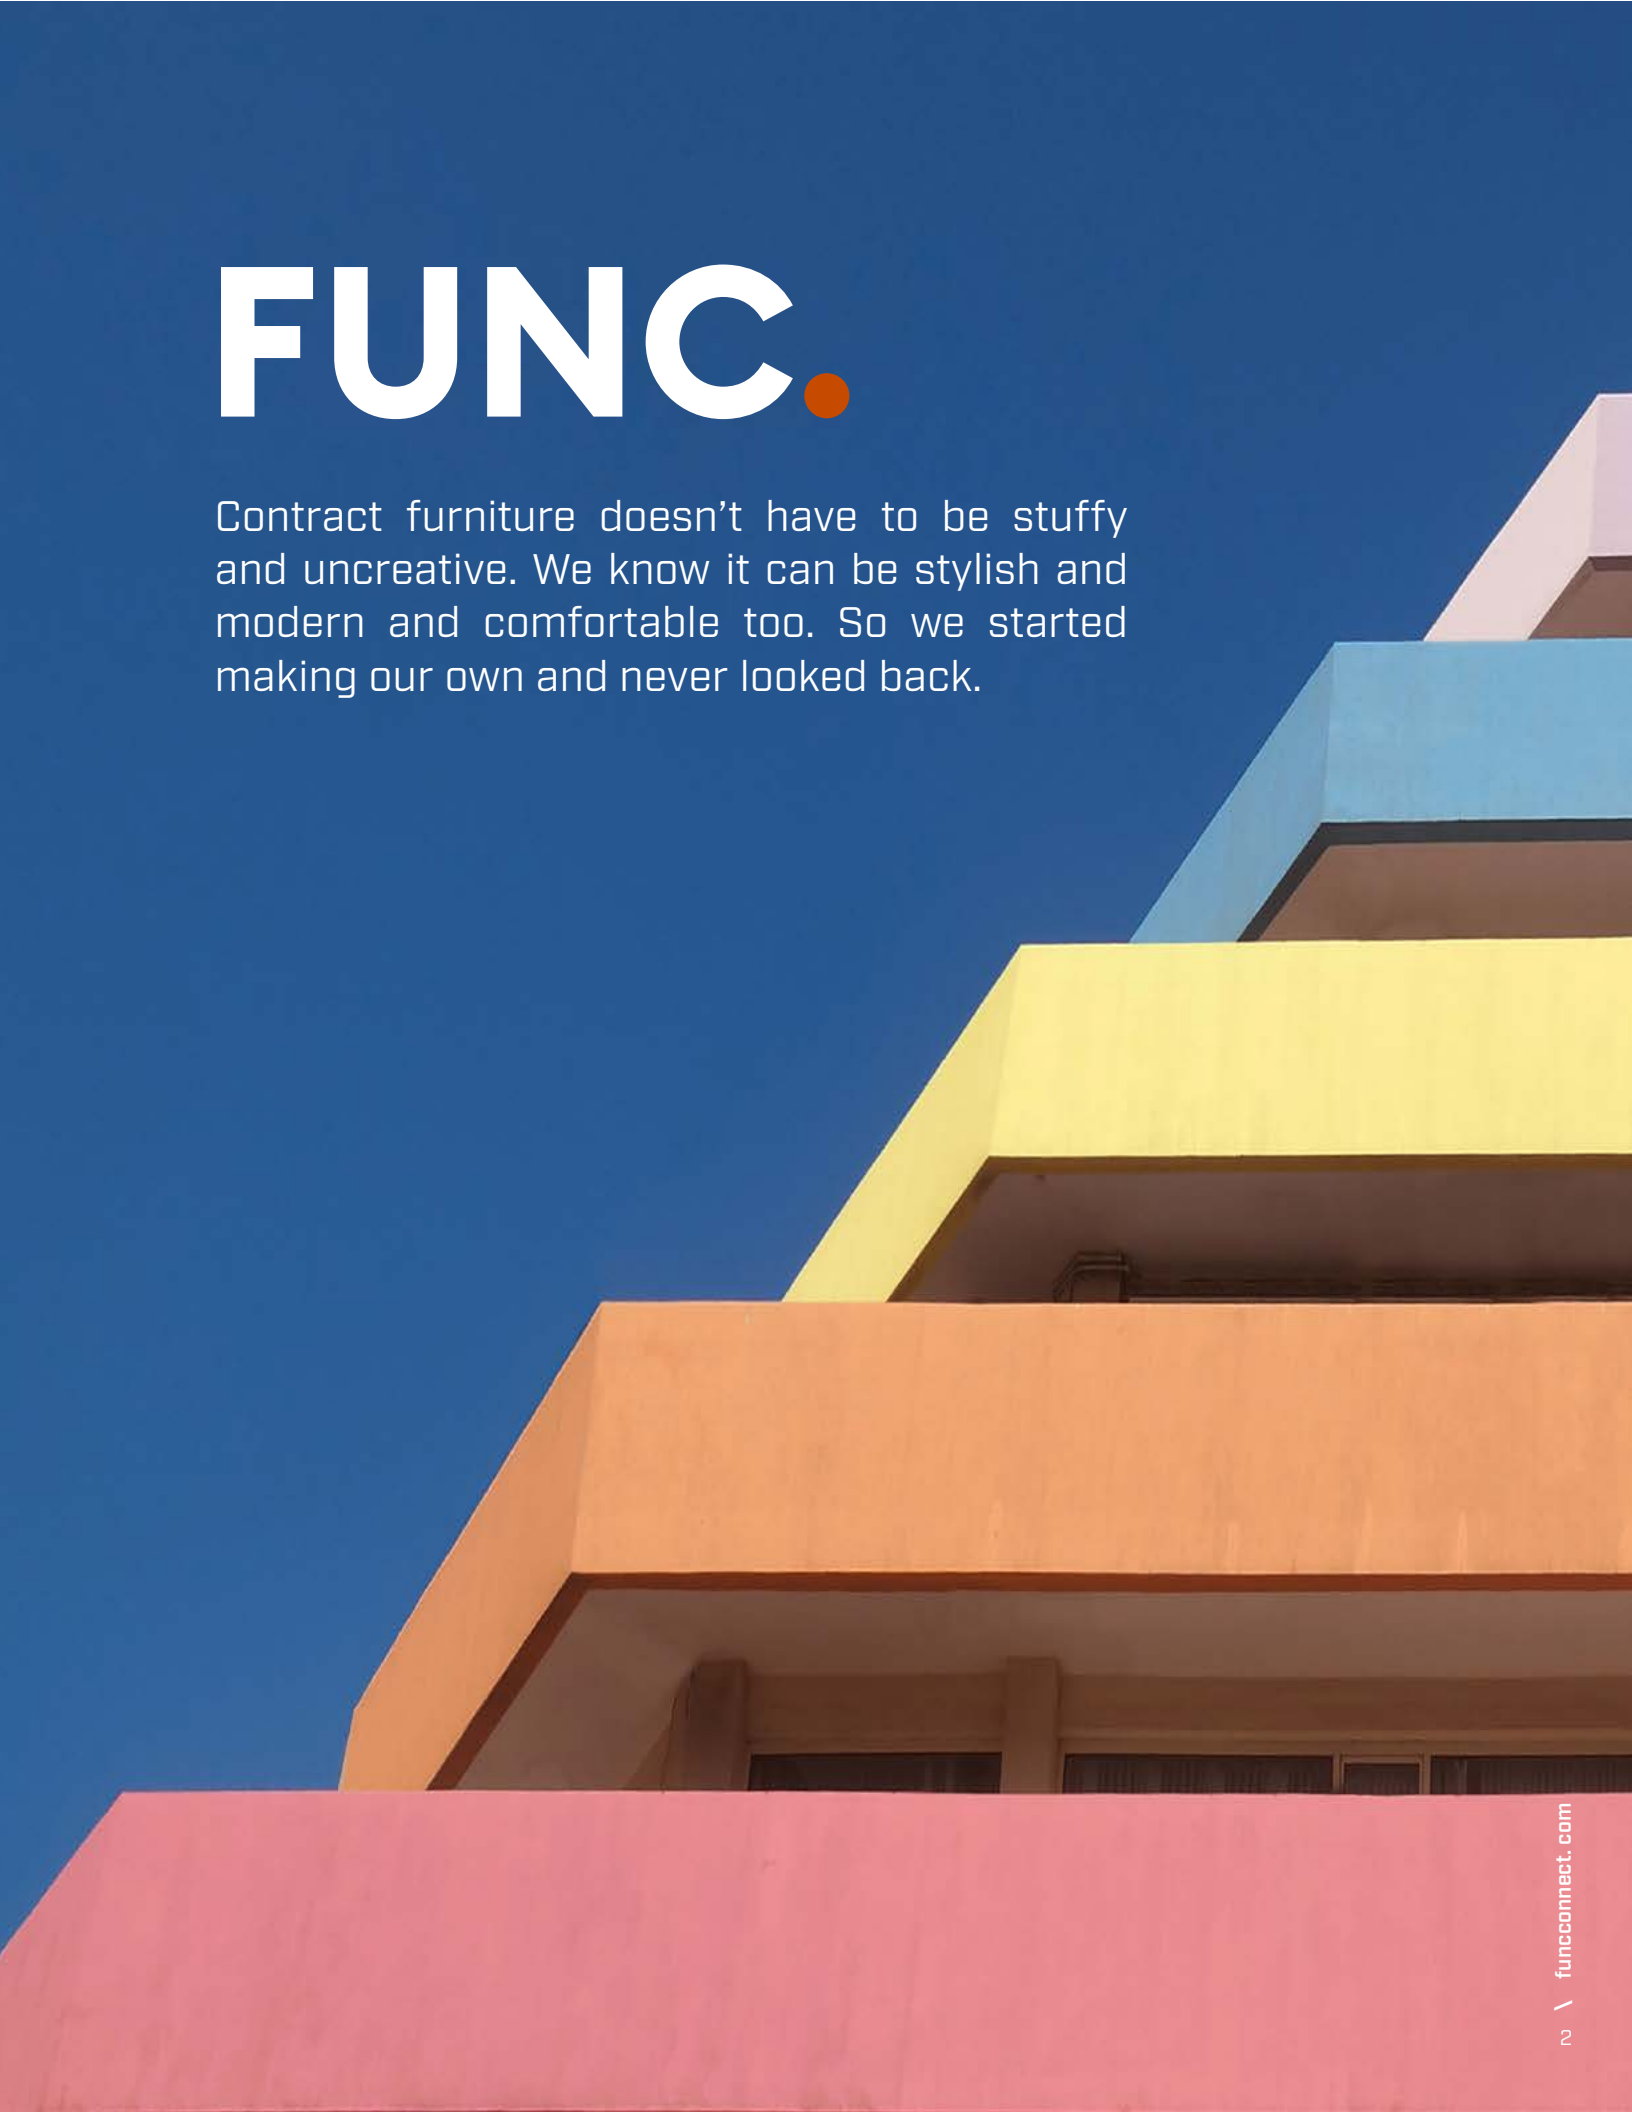

MURRI

DESK SCREEN AND DESK SCREEN WITH MODESTY

FUNC.

Contract furniture doesn't have to be stuffy and uncreative. We know it can be stylish and modern and comfortable too. So we started making our own and never looked back.

MURRI

Murri Desking Screens offer users visual and acoustic privacy, without compromising on access to natural light or feeling of openness. Murri conveys a carefully crafted design language, combining a high performance acoustic material and clear or frosted acrylic to deliver a thoughtful solution to address your personal space division and privacy needs. Murri includes a universal connection system, allowing for use with virtually any standard desk or table solution.

DESIGNER PAUL JAMES

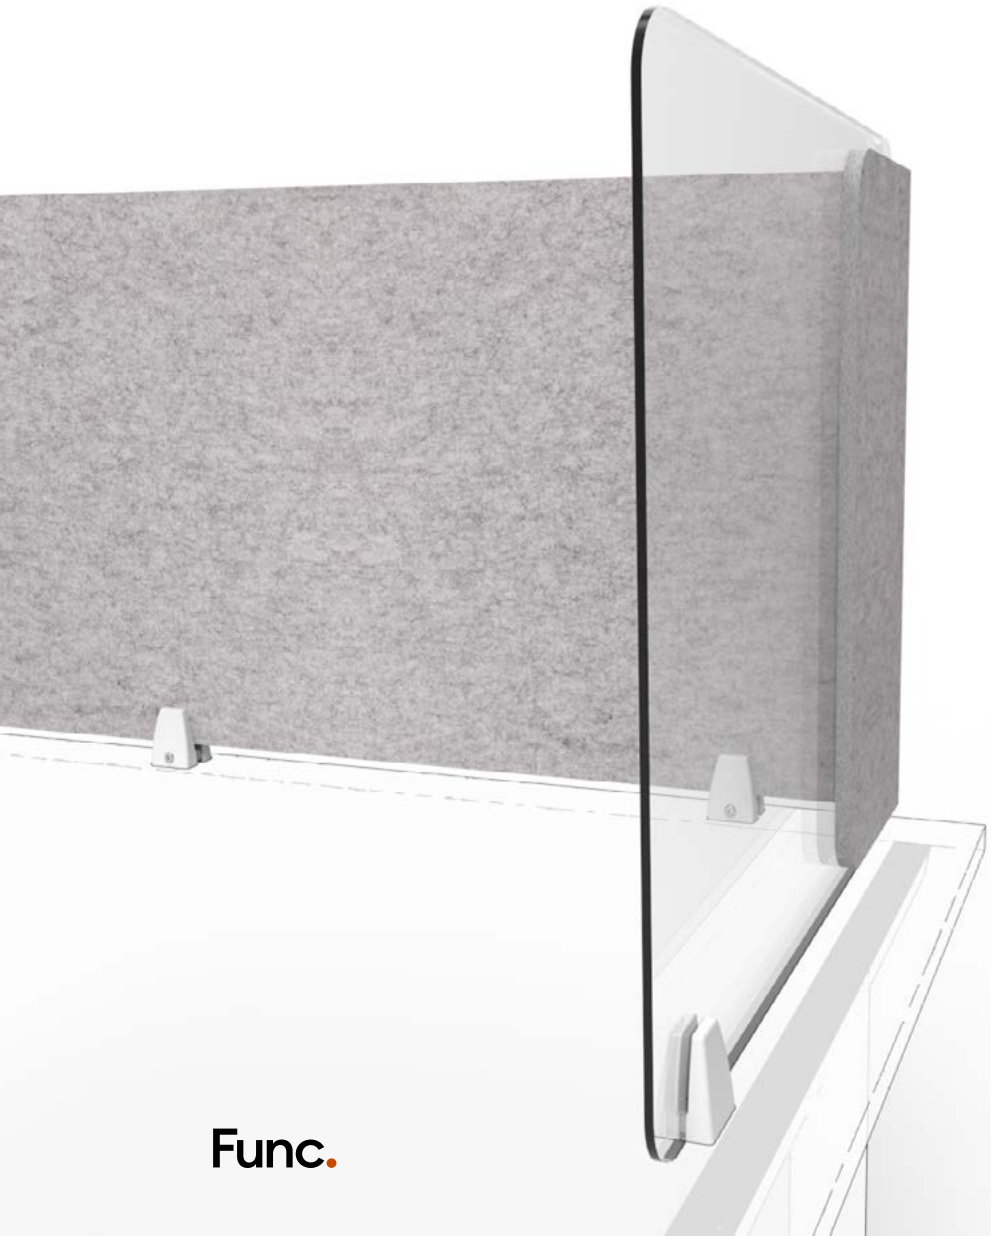

Paul James is an award winning designer and inventor with a reputation for both right and left-brain insight. He entered college to study engineering and emerged with degrees in math and economics. A graduate degree in industrial design lead to leadership positions for several A list furniture companies. In 2002 he opened his own consultancy in Minneapolis specializing in product design and new venture start-ups. His process is equal parts head and hand, CAD and crayon, coffee and cocktail. Whether designing furniture, outdoor gear, or parametric fabrication systems, James‘ mantra is reason in every function and art in every detail.

AVAILABLE COLORS AND FINISHES

Murri is constructed from the highest quality acrylic polyethylene terephthalate or P.E.T. — an ideal material for reducing ambient noise and sound within noisy environments.
