COOEE SHORT TRAY

20” Short Tray, the same as its big brother just half as long. It means they can sit side by side or be staggered up the wall.

- **Easy Install**
- **Easy Clean**

Description	The same as its big brother, it’s just half as long. It means they can sit side by side or be staggered up the wall. The raised edges and non-slip insert make it easy to store and see your favorite must haves like magazines. Made from steel with a PET insert to add grip, and available in 12 eye-popping powder coat colors, they simply click into the tool groove on any mobile wall.

Assembly & Delivery	No assembly required
How to Specify	Select Powder Coat Finish
Care Instructions	Dab func. with a damp clean cloth and mild solution of liquid detergent and warm water. Repeat using only clean water, then pat dry with a lint free cloth. For difficult stains, use a solution of household bleach (10% bleach / 90% water). To remove the bleach, repeat using a clean, water dampened cloth, then pat dry. Always test in an inconspicuous area first and if you don't see the expected results, contact us.
Additional Comments	To see how vivid the colors truly are, it's easy to request a sample through the "Request information" button on this page, or you can ask for one from your local sales guru.
