cooee spaces wall

Designed to anchor zones and support concentration. Standing tall and taking charge, this screen gives you privacy without apology. It's the big player in the room—ideal for when you need separation with style.

- ✓ **Absorbs Noise**
- ✓ **Acoustic**
- ✓ **Bleach Cleanable**
- ✓ **Easy Clean**
- ✓ **Easy Install**

Description

Cooee Spaces Walls are modular, freestanding partitions designed to shape the way we work, learn, and collaborate. Available in two widths and full or three-quarter heights, these lightweight walls offer layout flexibility—whether you're creating quiet retreats, team zones, or adaptable open spaces.

Each wall is constructed with an ultra-lightweight core and framed in a proprietary powder-coated aluminium extrusion for strength and stability. The surface is finished in your choice of acoustic PET colors and designs, helping to reduce noise and visual distractions for a more focused environment.

A discreet magnetic cable cubby provides seamless wire management, allowing power to run internally through the wall. The hinged, flush-fitting cover opens effortlessly for easy access and snaps back into place to maintain a clean, uninterrupted profile. It's a smart integration that supports charging and connectivity—without compromising on aesthetics.

Choose from a range of powder coat finishes for the proprietary extrusion and feet—ensuring full aesthetic cohesion without compromising on performance.

Cooee's signature Tool Rail enables quick mounting of accessories including whiteboards, shelves, and hooks—empowering users to reconfigure and personalise their space with ease. Corner connectors and end caps extend layout possibilities, making Cooee Spaces Walls a truly versatile system.

From offices to education settings, Cooee defines space with clarity, acoustic performance, and design-forward thinking.

How to Specify

Select 1 x PET Color

Select 1 x Powder Coat Finish

Refer Product Specification Guide

cooee spaces wall

Composition	Density 0.5 lb/ft² 2.4 kg /m131

Fire Rating	ASTM-E84 – Class A classification AS ISO 9705 – 2003 – Group 1 classification EN-13501 – B-s2-d0 classification
Made In	USA
Lead Time	8 weeks
Assembly & Delivery	Flat pack delivery, minimal assembly required. See installation instructions for detail.

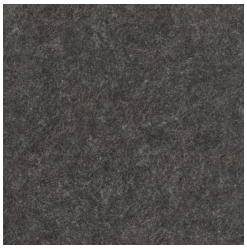

cooee spaces wall

Care Instructions	Dab func. with a damp clean cloth and mild solution of liquid detergent and warm water. Repeat using only clean water, then pat dry with a lint free cloth. For difficult stains, use a solution of household bleach (10% bleach / 90% water). To remove the bleach, repeat using a clean, water dampened cloth, then pat dry. Always test in an inconspicuous area first and if you don't see the expected results, contact us.
Warranty	5-year warranty. Visit **baresque.com.au/warranty** for complete details.
Additional Comments	To see how vivid the colors truly are, it's easy to request a sample through the "Request information" button on this page, or you can ask for one from your local sales guru
