Made In:
Made In: ,

DESCRIPTION	The Cooee Monitor Wall is a presenter's dream. The addition of 110V and USB-A power units to the Tool Wall, brings it to life. The design makes it easy to attach almost any VESA mount, while the steel frame and base gives stability for a 50" screen and camera. Sharing screens and having remote meetings, makes managing acoustics even more important. Superior noise reduction is achieved when the sustainable, sound absorbing PET converting sound energy into heat. Available in 24 PET colors, 4 timber prints and 10 eye-popping powder coats, it's the must have for those of us who can't help sharing their screen. Manufactured locally, the Cooee Monitor Wall ships quickly, comes flat packed and is simple to assemble. Once in place it's easily disinfected with bleach and water
