DESCRIPTION	The Cooee Louver Wall is the mobile wall when you need to balance light and sound. While the 1 cup gives you somewhere to put things, the 6 vertical louvers can be opened to let in light or closed to increase privacy and improve acoustics. Its lightweight internal frame is complemented by a steel base and lockable wheels, so that its strong, stable, and manoeuvrable. Superior noise reduction is achieved when the sustainable, sound absorbing PET converts sound energy into heat. Available in 24 PET colors, 4 timber prints and 10 eye-popping powder coats, this wall gives the best of both worlds. Manufactured locally, the Cooee Lover Wall ships quickly, comes flat packed and is simple to assemble. Once in place it’s easily disinfected with bleach and water.
