Toggle C-Leg

Electric Height Adjustable Table

A sit-stand solution for everybody.

Toggle height adjustable tables - provide a simple solution to allow users to move from a sitting position to a standing position with ease.

Toggle dual motor models - offer a height adjustment range of 26 to 52 inches with the touch of a button.

C-Leg / Cantilevered leg - now available for ease of ingress and egress.

Nest KI's mobile pedestal (on glides only) over the foot of your Toggle desk in order to maximize floor space.

Colors: Silver, Black, White

C-Leg

Mobile pedestal nested over foot

Available with optional casters
