# Perth® Guest Chair

*classic styling and comfort*

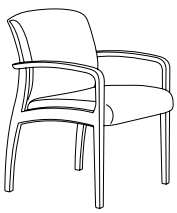

**Specifications**
Guest Chair
W22.5 D26 H34
Seat: W20.25 D19.5 H19.75

**Sophistication**
Soft lines and gentle curves bring classic styling to any seating environment. Create sophisticated lobbies, comforting waiting areas or supportive patient rooms.

**Style**
Arm styles include solid hardwood or black polyurethane, and are available with open arms. Finishes and finish options help extend the lifespan of the product:

- Hardwood is finished with a durable conversion varnish.
- When specified with a suitable fabric, Perth may meet TB-133.
- An optional moisture barrier is also available.

**Structure**
Multiple components (arm caps, seat, and back) are field-replaceable. With a lifetime warranty, Perth ensures all your long-term seating needs are met.
