STACK & GUEST CHAIR SOLUTIONS

KI

Furnishing Knowledge®

KI STACK AND GUEST CHAIRS

Timeless design. Enhanced comfort. Durability. KI leads the way in developing stack and guest seating for any application, from the classroom to the conference room.

KI demonstrates continued success in providing stack and guest seating featuring a breadth of design and price options.

FLEX-BACK ADVANTAGE

Comfort, value, and design are the foundation of KI's seating philosophy. KI provides a wide range of seating styles with either static back or flexing/articulating back. By encouraging movement, relaxation, and enhanced circulation, KI's flexing/articulating stack chairs provide unexpected and unparalleled stack seating comfort. It's what sets KI apart.
