PRODUCT PRICING

ALL PRICES LISTED IN KI PRICE LISTS ARE FREIGHT EXCLUDED OR DELIVERED PRICING.

KI price lists and any prices contained therein are subject to change without notice. Prices applicable to all Customer orders shall be those in effect at the time KI receives a complete order from Customer unless: Customer and KI have in place a written special pricing or master supply agreement, which agreement specifies the prices to be paid by Customer; or Customer requests a product shipping date to occur more than one hundred twenty (120) days after KI's receipt of Customer's order (in which case KI shall have the option to apply to Customer's order the price list in effect as of Customer's requested shipping date). The most current KI price lists are maintained electronically and can be found at www.ki.com/price lists

Any discounts are ineffective if, as a result of the discounts, the final selling price of any product offered in a KI quote would be lower than the corresponding price for that product under KI's multiple award schedule contracts with the United States General Services Administration (GSA). If the final selling price for any KI product in a quote would be below KI's price to GSA, KI will offer that product at the same price that KI offers to GSA. No other terms or conditions of KI's GSA contracts would apply to such sales.

FREIGHT AND DELIVERY

Freight Terms

KI reserves the right to select the "best way" shipment methods and means (including, but not limited to, determination of the carrier, method of shipment, and routing). Standard delivery shall be dock-to-dock delivery and shall occur Monday through Friday, 6:00 a.m. to 12:00 p.m. for truckload or 9:00a.m. to 5:00 p.m. for less than truckload or parcel. Products quoted as "Delivered Pricing" shall be "F.O.B. Origin," and freight charges are based on shipments to the 48 U.S. contiguous states. For shipments destined to other U.S. states or foreign territories, delivery will be made to a prearranged port. Customer shall prepay all freight charges and any extra expenses resulting from any request by Customer for after-hours, holiday, weekend, or specific time delivery, or special carrier, shipping method, (e.g. air freight, exclusive use vehicle) packaging, and/or routing. Contact KI for quote.

CAUTION: After obtaining a clear receipt for shipment, the delivering carrier is no longer responsible for damage or shortages.

Title, Risk of Loss

Title to product shall pass to Customer upon delivery by KI to the carrier. For purposes of risk of loss, all shipments are "F.O.B Origin"; and Customer acknowledges that once KI delivers the product to the carrier, risk of loss shall pass to the Customer.

Shipment Damage Claims

All products are packaged to comply with carrier requirements and leave KI's manufacturing facilities in good condition. Customer shall be responsible to:

1. Carefully inspect merchandise upon delivery. Make notation of package conditions and describe any type of damage observed on the carrier's delivery receipt.
2. If the delivery receipt has been signed free and clear and damage is discovered after carrier has left, the customer shall report the concealed damage and request an inspection to the local carrier terminal within (5) five business days of receipt date.
3. Retain all shipping cartons for inspection by the carrier agent.
4. All damaged product and packaging must be kept at point of delivery.

KI shall not be liable for loss or damage to product that occurs in transit, and Customer's sole remedy for any such damages shall be to seek appropriate recourse against the carrier. For more information visit http://damagedproductprocess.com

Shortage Claims

Shortage must be noted at time of delivery to be considered a carrier claim.

KI will evaluate Customer reported shortage claims within (10) ten days immediately following delivery. Shortage claims reported beyond (10) ten days after delivery will not be honored.

Returns

Product conforming to the specifications contained in KI's acknowledgement to Customer may not be returned to KI without KI's written consent, which consent may be conditioned upon Customer's agreement to pay re-handling and/or restocking charges and/or to prepay all freight charges on the return shipment.

Requests for Specific Delivery Time(s)

KI considers requests for delivery times and for drop shipments to job sites, and will undertake reasonable efforts to indicate any such request(s) to product carriers. KI may, in its sole discretion, extend to Customer the option of a carrier deliver on service at an additional cost to Customer. KI's liability for any damages incurred for any late deliveries, including labor and other expenses resulting from any such delays, shall be limited to a refund of the charges for the aforementioned delivery service.

Accessorial Fees

Customer shall be responsible for the payment of all accessorial fees, including, but not limited to, charges necessitated by any of the following:

1. A need for special delivery equipment
2. Inside delivery
3. The absence of a loading dock
4. Redirection or re-consignment of product
5. Detention charges
6. Street unloads
7. Improper refusal of product

Storage of Product

If, following KI's acknowledgement of Customer's purchase order, Customer requests a delay in shipment for any period greater than one (1) day from the scheduled ship date, Customer shall be responsible for the payment of the following storage fees:

1. Orders less than a full trailer (11 pallets or 24 feet or less): $5.00 per day per pallet.
2. Full trailer: $60.00 per day per trailer.

Any long-term storage (i.e. storage outside standard shipping and installation storage) must be climate controlled. Temperature must range between 60 and 80 degrees Fahrenheit and humidity must be controlled between 45 and 65 percent relative humidity.

Split Deliveries

Orders can be split shipped (including C.O.M. as it arrives) only with faxed or written authorization.

Re-delivery of Freight

When re-delivery of merchandise is required because the customer is not ready to accept merchandise, and no notification of this fact is provided to KI a minimum of twenty (20) days prior to expected delivery date as acknowledged, the actual costs for freight, restocking and re-handling, plus 5% of the order value, will be billed to the customer.

PAYMENT TERMS

Net Thirty Days

Payment on all KI invoices shall be made in U.S. dollars within thirty (30) days of the date of each such invoice and without offset, back charges, retention, or withholding of any kind. Unpaid and delinquent invoices shall accrue interest at the rate of one and one-half percent (1.5%) per month, or the highest rate permitted by law, whichever is less.

Leasing Provisions

KI offers a lease finance option. The first and last monthly payments are required at the time of signing. Lease quotations subject to National Cooperative Leasing credit approval. Rates are based upon current market and subject to change without notice. Contact KI for a quote.

Modified Product Deposits

Customer may be required to pay a deposit for the purchase of any modified (non-standard) products identified in Customer's purchase order. Any such deposit shall accompany Customer's purchase order.

New Accounts

New accounts require the approval of a KI sales representative, credit references, and a valid tax-exempt or resale certificate (where applicable).

Security Interest in Products

KI shall retain a purchase money security interest in all products sold to Customer and for which Customer has not made full payment. Customer agrees to execute any and all instruments necessary to document the creation of this security interest and/or to perfect the same. Customer further agrees to assemble and deliver to KI all products subject to this security interest in the event Customer defaults on Customer's payment obligations to KI.

Collection Costs

In the event Customer defaults on Customer's payment obligations to KI, and KI employs the services of an attorney or collection agency to enforce these obligations, Customer shall reimburse KI for all of KI's actual collection costs and expenses (including actual attorneys' fees and court costs) upon demand.

CODE & FLAMMABILITY STANDARDS COMPLIANCE
Seating
1. California Technical Bulletin 117-2013. All upholstered seating products manufactured by KI meet or exceed the standards set forth in California Technical Bulletin 117-2013 and are labeled accordingly.
2. California Technical Bulletin 133. KI offers numerous products that can be manufactured to meet the flammability requirements set forth in California Technical Bulletin 133. For products to meet the requirements of the open-flame test, changes in materials are made. Restrictions are placed on fabric selections and product type. When ordering product to comply with California Technical Bulletin 133, the "FR" option must be selected in the model number string. Please see individual sections in the price list for additional cost and leadtimes, which vary between products.

Panels
ASTM E84 (equivalent to UL 723) is the test method used to determine the Flame Spread and Smoke Developed Indices of the system, consisting of the core substrate, fabric covering, and adhesive. The NFPA 101® Life Safety Code and the International Building Code® define acceptable Flame Spread and Smoke Developed Indices that have been adopted by the federal and many state or local governments as law in the form of building codes and regulations. Panel cores have been judged acceptable for the use with UL Recognized Component Office Panel Fabrics. Contact KI for the current list of fabrics that are acceptable for use.

Style and Fabric Availability
Many styles can be manufactured to comply with TB133, depending on the fabric content of a selected upholstery textile. When considering C.O.M. fabrics, submit the material attached to its composition description card to KI for approval. *Certain C.O.M. materials may require a sample burn test for certification. A sample product will be built with C.O.M. material and tested. The cost of testing must be added to the cost of a test sample including appropriate upcharges to receive certification.

Pricing
TB133 requires special construction procedures, and an upcharge applies to each product ordered as such.

General Information
Specifications, test procedures and requirements pertaining to flammability regulations can change. KI will make every effort to keep our information and services pertaining to flame specifications up-to-date. However, we reserve the right to alter the products, fabrics/ leathers, or upcharges associated with any of the above or any other flame specifications.

RIGHTS AND WARRANTIES

The following KI product warranty applies to products manufactured on or after November 1, 2019 and manufactured and/or distributed from a KI manufacturing site. This warranty is given to the initial purchaser and is valid for as long as the initial purchaser owns the product. The warranty, which runs from the date of manufacture, covers defects in materials and craftsmanship found during normal usage of the products during the warranty period. If a product is defective, and if written notice of the defect is given to KI within the applicable warranty period, KI at its option will either repair or replace the defective product with a comparable component or product, or provide a refund of the purchase price. KI reserves the right to determine labor method used during replacement of product. The Lifetime Warranty applies regardless of the number of shifts the product is used each day, unless specified as an exception. All non-lifetime product warranties are a single 8 hour shift per day unless otherwise noted. KI products are not intended or warranted for outdoor use unless specifically stated for outdoor use.

EXCLUSIONS

This warranty does not cover:

- Failure resulting from normal wear and tear which is to be expected over the course of ownership, including but not limited to: scratching, natural variations/movement of butcher block wood tops, bowing/cupping of butcher block tops due to environmental conditions during transit and/or at site, or ghosting on markerboard surfaces.
- Any misuse, abuse or modification of the original product voids the warranty.
- Damage caused by carrier.
- Products that are exposed to extreme environmental conditions or that have been subject to improper storage.
- Alterations to product not expressly authorized by KI, nor to products considered to be of a consumable nature such as bulbs, light ballasts, and surge suppression products.
- Replacement parts are covered for two years or the balance of the original warranty, whichever is longer.
- Failure to apply, install, reconfigure, or maintain products according to published KI planning, assembly, cleaning instructions, or user guides.
- Customer's Own Material (i.e., material supplied by the Customer or procured by KI on behalf of the client that is not a standard KI product offering) used in the manufacture of KI products.
- Natural variations in wood grain; changes in surface finishes, including colorfastness, due to aging or exposure to light; matching of color, grain or texture, except to within commercially acceptable standards.
- Wrinkles, marks or scars occurring naturally in leather.
- Discoloration or deterioration of all surface materials due to soiling, stains, dye transfer from clothing (including denim) or cleaning agents (refer to KI's Care & Maintenance Instruction documents).

NOTATIONS

- Warranties and exceptions listed in the Accessories / Components section will apply to all applicable product warranties.
- Modified (non-standard) product has a one year warranty, unless the change is only cosmetic. If the product is modified due to a cosmetic change, the warranty is the same as the "base" product.
- Third Party Supplied Product (KI shall pass along any warranty it receives with respect to other manufacturer's products).
- Modification to UL Listed products eliminates the listing.
- KI reserves the right to request that product be returned for inspection prior to granting a remedy.
- KI will not be liable for consequential, economic (including loss of time or inconvenience), or incidental damages arising from any product defect.
- International Warranties may differ.

EXCEPT AS STATED ABOVE, KI MAKES NO EXPRESS OR IMPLIED WARRANTIES AS TO ANY PRODUCT AND IN PARTICULAR MAKES NO WARRANTY OF FITNESS FOR ANY PARTICULAR USE. AT KI'S OPTION, PRODUCT REPAIR, REPLACEMENT, OR REFUND OF PURCHASE PRICE IS THE CUSTOMER'S EXCLUSIVE REMEDY FOR ANY AND ALL PRODUCT DEFECTS.
