RECIPIENTS: Groupe Lacasse Sales Representatives and Valued Customers

SUBJECT: **More Good News! Groupe Lacasse Achieves LEVEL® 2 Certification**

In July 2017, Groupe Lacasse met the requirements for **LEVEL®**, BIFMA's sustainability certification program for furniture. Today, we are proud to announce that our engagement towards becoming an **environmentally preferable** and **socially responsible** manufacturer of high-quality products has once again been recognized!

Several Groupe Lacasse products now meet the requirements for LEVEL 2

The **LEVEL** certification is an industry-wide voluntary program in which third-party auditors measure the environmental and social impacts of furniture by analyzing best practices in different areas:

- ✓ Material selection
- ✓ Energy usage
- ✓ Company's social actions
- ✓ Human and ecosystem health impacts

This **LEVEL 2** certification confirms that Groupe Lacasse makes **durable products** in respect of the environment, using **sustainable business practices** that are **constantly improving** to remain **among the best**. In return, this certification helps customers make a responsible choice for the environment by choosing products manufactured by Groupe Lacasse.

Here is the list of Groupe Lacasse products now certified LEVEL 2:
