harmoniä

Healthcare Furniture Solutions

Lacasse presents Harmoniä, a complete offering of evolutive furniture solutions designed and manufactured with exceptional care to cover the full needs of healthcare establishments, from hospitals to long-term care facilities and clinics of all types. Waiting areas, patient rooms, nursing stations, whatever the application, our modular approach allows for fast and easy configuration and reconfiguration.

The patient room demonstrates efficient accessibility and practicality of Harmoniä, with features like whiteboard fronts on cabinets for easy communication between caregiver and patient.

EXPERIENCE THE CARE

Asymmetrical counter surfaces available in a vast array of materials and finishes.

Bedside table with spill guard thermoformed top.

Sencha guest chair.

Wall-mounted rectangular surfaces available for decentralized nursing stations.
