UP TO SPEED

Positive first impression > First impressions are paramount, since they imply, in the client's mind, what goes on behind the scenes. This is why your organization's reception area must reflect your credibility, your reliability and most of all, your professionalism. Choosing reception furniture by Groupe Lacasse is making sure you make a lasting impression. The combinations offered give you the opportunity to express your company's distinctive character. Play with colors, shapes and textures to create a reception area to your image and make a difference!

Practical curved design from Morpheo in Classic Chocolate finish. Onyx seating by United Chair.

Customize your workstation with our 60 and 90 degree components. With its curved design, your reception area furniture will certainly make heads turn!

SHAPE YOUR SPACE

Morpheo reception furniture with anodized aluminium kickplate, Classic Chocolate and Snow finishes. Saggio seating by United Chair.

MORPHEO

Just like a chameleon, the Morpheo reception furniture adapts easily to its environment. In addition to making a lasting impression on your visitors, the modularity and modern style of Morpheo will transform your reception area into an ergonomic and appealing workstation.

Integrated pigeonholes, floating top look, wheelchair accessible counter: all these options make the Morpheo reception furniture indispensable.

Concept 3 reception furniture in Tuscany Walnut and Snow finishes. Onyx seating by United Chair.

CONCEPT 3

Concept 3 reception furniture lets you adapt your setting to your needs: select between our two models, with or without aluminium frame and translucent acrylic inserts, then choose the configuration that best suits you. Will it be the U, the L or the T shape? The choice is yours! The reversible left or right return shell gives you even more flexibility. With Concept 3, today's modern design is just simply accessible!

PANGRAM

The PanGram collection gives you the leeway to create separate zones in an open concept. Define your reception area with laminate panels, stackable fabric panels and frosted translucent screens. Flexible options such as the transaction countertop and 120-degree surfaces, that are easily configurable, are only a few of the benefits of PanGram.

PanGram reception furniture in Dark Chocolate and Willow Grey finishes with Anthracite Grey accents. Wall-mounted pigeonholes from Morpheo in Willow Grey finish. Affinity seating by United Chair.

RETHINK YOUR RECEPTION AREA

QUAD

Truly inspired by the Zen philosophy, Quad reception furniture gives an impression of harmony and sophistication. Its lines are straight and pure; its style, unique and impeccable.

Quad reception furniture. Snow and Caramello finishes with Silver accents. FreeStyle seating by United Chair.

QUAD

With the Quad collection, you can configure your reception area according to your needs. Follow your heart. Play with volume. Add translucent acrylic decorative panels, pedestals and storage modules. How about steel legs for a more urban feel? Or overlapping panels to create a floating countertop effect? The possibilities are practically endless!
