2019 PRODUCT CATALOG

ABOUT US

At MergeWorks, we combine engineering and innovative design to transform offices into functional, beautiful workspaces that promote collaboration while providing the visual and sound privacy that workers need to stay focused and productive.

Urban Walls™ with Amethyst Fabric, Iron Fabric, and Frosted Acrylic Core Materials

Our products include desk dividers, room dividers, dry erase boards, sit stand desks, and tables. Every order is customized to meet our customers' needs, and all products are manufactured in our state-of-the-art facility in San Antonio, Texas.

OUR HISTORY

Inspired by a passion for beautiful and functional workspaces, CEO Scott Klingler and his father Foster Klingler founded MergeWorks in 2003. With extensive experience in engineering and manufacturing, Scott designs and engineers all MergeWorks products. Dedicated to the craft of office furniture design, Scott and his team enjoy creating new products and strive to continuously refine and improve MergeWorks' products and manufacturing techniques.

DEFINE YOUR WORKSPACE

Our flexible and versatile solutions are designed to merge with any work surface or workstation to bring your office concept to life. Choose from a wide palette of rich colors and a variety of materials to uniquely define your personal and collaborative workspace. If you can't find what you need, MergeWorks will work with you to create a customized solution featuring shared spaces and individual workstations to foster creativity, collaboration and productivity.

OUR VALUES

Our venture has grown and evolved over the past 14 years, but we've never lost the personal touch and integrity that comes from being a family-owned business. We love creating custom office solutions that are as unique as the customers we serve. For our employees, we strive to be a rewarding place to work where everyone shares a sense of ownership in our success.

SUSTAINABILITY

We believe in protecting our planet and are dedicated to environmentally friendly manufacturing and business processes that preserve the Earth's resources. Committed to reducing our environmental impact, Merge Works designs, engineers, and builds quality products with long lifespans using eco-friendly materials.

ENCLAVE™ PANEL

ABOVE THE DESK DIVIDERS

Enclave™ desk dividers are the perfect solution for both visual and sound privacy. Available in a wide range of styles, colors, materials and acoustic properties, our panels are designed to merge with any work surface. With a simple installation process and a variety of permanent and removeable mounting options, you can turn existing desks and tables into personalized workstations that help maintain productivity and tune out distractions.

- Desk dividers available in several materials and colors including Frosted Acrylic, Fabric, TruBrite™ Whiteboard and EchoScape™
- Tackable fabric panels are finished with 3 different trim options: Fabric Fold, Edge Band and Metal Trim
- EchoScape™ 3/4" (18mm), our 0.9 NRC rated acoustic solution, effectively controls noise disruptions by absorbing sound
- Permanent and removeable mounting options available
- Made in the USA
- Customization available – special materials, sizes, shapes and mounting options

UPTOWN™ PANEL

ALL-IN-ONE DESK DIVIDERS

The height adjustable Uptown™ divider offers an all-in-one solution in a single convenient panel that provides privacy above and below the desk. Our proprietary mounting system allows you to raise or lower the panel at any time to meet privacy needs. The permanent mount can be installed with a gap between the divider panel and the desk to allow for easy cable management. Customized to fit your desk, the Uptown™ panel is available in a pallet of rich colors and in a variety of materials and sizes to merge seamlessly with any workspace to provide visual and sound privacy.

- Divider panels available in several materials and colors including Frosted Acrylic, Fabric, TruBrite™ Whiteboard and EchoScape™
- Tackable fabric panels are finished with 3 different trim options: Fabric Fold, Edge Band and Metal Trim
- EchoScape™ 3/4" (18mm), our 0.9 NRC rated acoustic solution effectively controls noise disruptions by absorbing sound
- Made in the USA
- Customization available – special materials, sizes and shapes

MIDTOWN™ PANEL

ALL-IN-ONE-DESK DIVIDERS

The Midtown™ panel provides both above and below the desk privacy in two different height options. The silver decorative faceplates attach at your predetermined height to either a permanent or removeable installation bracket on the backside. The permanent mount installs the panel with a gap between the divider panel and the desk to allow for easy cable management. The removable clamp mounts the panel flush to the edge of your desk and allows for easy relocation.

Customized to fit your desk, the Midtown™ Panel is available in a pallet of rich colors and in a variety of materials and sizes to merge seamlessly with any workspace, providing visual and sound privacy.

- Dividers available in several materials and colors including Frosted Acrylic, Fabric, TruBrite™ Whiteboard and EchoScape™
- Tackable fabric panels are finished with 3 different trim options: Fabric Fold, Edge Band and Metal Trim
- EchoScape™ 3/4" (18mm), our 0.9 NRC rated acoustic solution effectively controls noise disruptions by absorbing sound
- Decorative powder-coated silver faceplates
- Made in the USA
- Customization available – special materials, sizes and shapes

TERRACE™ PANEL

FRAMED DESK DIVIDERS

Our framed Terrace™ panel is the perfect solution for both visual and sound privacy. Constructed with streamlined framework on all four sides, the Terrace™ Panel can be manufactured up to 30 inches in height for maximum privacy.

Easy to install permanent and removeable mounting options are available to fit most any work surface. Available in 3 frame colors and a wide range of colors, materials and acoustic properties, our Terrace™ panels are design to merge with any work surface.

- Framework is constructed using lightweight aluminum extrusion
- All metal parts are anodized or powder coated for an aesthetic and durable finish
- Panels sit on top of work surface
- Framed panels available in several materials and colors including Frosted Acrylic, Fabric, TruBrite™ Whiteboard and EchoScape™
- EchoScape™ 3/8" (9mm), our 0.85 NRC rated acoustic solution effectively controls noise disruptions by absorbing sound
- Permanent and removeable mounting options available
- Made in the USA

TERRACE™ ARCED & LINEAR WINGS

FRAMED DESK DIVIDERS

Terrace™ Arced and Linear wings are an easy and economical way to add privacy to existing workstations. Constructed with our streamlined framework on 3 sides, these stylized wing panels are designed to be used on their own or with our Terrace™ panels.

Both the Linear and Arced wing panels feature the polished smooth edge of our frosted acrylic while the stylized Arced wing transitions down 6-inches at the front of the panel. Available in clear or colored frosted acrylic with several mounting options, the Arced and Linear wing panels are perfect for turning free standing tables into custom cubicles or study carrels.

- Framework is constructed using lightweight aluminum extrusion
- All metal parts are anodized or powder coated for an aesthetic and durable finish
- Wing panels available in all colors of Frosted Acrylic
- Permanent and removeable mounting options available
- Made in the USA
- Customization available – special sizes and mounting options

ECHODECO™ ACOUSTIC WALL PANELS

SET THE TONE IN YOUR WORKSPACE

Improve office acoustics while creating an inspiring environment with EchoDeco™ wall panel cutout designs. An attractive decorative solution that absorbs distracting noise, EchoDeco™ panels are a cost-effective treatment to cover walls or divide space. Add a second layer of EchoScape™ in a matching or contrasting color behind your EchoDeco™ design for maximum noise absorption and a unique look.

Designs are cut into our 3/8" (9mm) or 3/4" (18mm) thick acoustic and sustainable EchoScape™. Designs cut from our 3/8" (9mm) panel can also include a second layer behind the design for a total thickness of 3/4" (18mm). Designs cut into 3/4" (18mm) thick EchoScape™ panels cannot be backed with a second layer.

Easy to install, EchoDeco™ wall panels can be hung from an ACT ceiling grid using our metal channel hanging kit or attached directly to a wall. EchoDeco™ panel designs can be customized to match any décor, style or brand.

- EchoDeco™ acoustic wall panel cutout designs using our EchoScape™ 3/8" (9mm) can include an additional layer of EchoScape™ 3/8" (9mm) in a matching or contrasting color behind design for an acoustic solution NRC rating of 0.9
- EchoScape™ panels 3/8" (9mm) are available in 13 colors
- EchoDeco™ acoustic wall panel cutout designs using our EchoScape™ 3/4" (18mm) with an NRC rating of 0.9, cannot be backed with a second panel layer
- EchoScape™ panels 3/4" (18mm) are available in 7 colors
  EchoScape™ is sustainable, VOC-free, and is 100% recyclable
- Hang EchoDeco™ designs from acoustic ceiling tile (ACT) grids or other ceilings using our metal channel hanging kit, sold separately
- EchoDeco™ panel designs can be directly mounted to wall using a standard construction adhesive
- Made in the USA
- Custom designs available

STACKERS™

CUBICLE EXTENDER PANELS

Add visual and sound privacy to your existing cubicles with Stackers™. Our cubicle extenders panels are a cost-effective solution to add height to existing cubicle walls while updating the look and adding visual interest to your office.

Available in multiple sizes and colors in EchoScape™ or Frosted Acrylic, Stackers™ merge seamlessly with your current cubicle system. With mounting options for both flat or curved cubicle surfaces and easy installation, Stackers™ create maximum privacy at an economical cost.

- Frosted Acrylic - 0.25" thick with smooth and polished edges
- EchoScape™ acoustic solution effectively controls noise disruptions by absorbing sound
- 3/8" (9mm) and 3/4" (18mm) thickness
- NRC rated up to 0.9
- Multiple panel sizes available to match your cubicles dimensions
- Configurable and durable mounting hardware
- For installation on a flat cubicle trim surface use either our Tower Mount or our Square Mount
- For installation on a curved cubical trim surface use our Square Mount
- Made in the USA

MODULAR PANELS

PRIVACY SCREENS

Define your space with Duplex™ and Villa™ Walls. Lightweight and easy to install, MergeWorks modular panels are a cost-effective solution for creating custom cubicles, workstations, study carrels or private work areas. Our modular panels come in a wide range of heights, widths and core options making it easy to design a custom configuration that fits the size and look of your current space.

Villa™ Walls feature a single core material, while Duplex™ Walls are configured using two material cores for an added design touch. Both modular panels styles can be hinged together to create your custom workspace.

- Framework is constructed using lightweight aluminum extrusion
- All metal parts are anodized or powder coated for an aesthetic and durable finish
- Core materials include Frosted Acrylic, Fabric and TruBrite™ Whiteboard
- Villa™ and Duplex™ Walls can be hinged together to create 2, 3 or 4-way configurations
- Made in the USA
- Villa™ and Duplex™ Walls are available in custom sizes, core materials and colors

URBAN WALL™

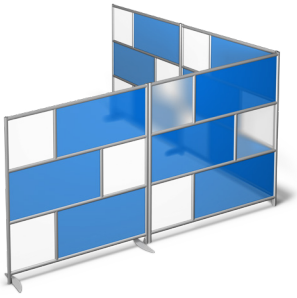

ROOM DIVIDER

Contemporary Urban Wall™ room dividers maximize current space while adding style to your office concept. Define shared spaces to create meeting rooms, collaboration huddle spaces, breakrooms, customer or patient waiting rooms, and private work areas without incurring costly construction. The Urban Wall™ comes in a wide range of sizes, configurations and core material options making it fun and easy to create a custom room divider. Build your Urban Wall™ by designing each panel, then connect them together to construct the workspace that works for you.

- Framework is constructed using lightweight aluminum extrusion
- All metal parts are anodized or powder coated for an aesthetic and durable finish
- Design your Urban Wall™ using five core materials in a wide array of rich colors
- Our acoustic core material, EchoScape™ 3/8" (9mm) effectively controls noise disruptions by absorbing sound and is NRC rated at 0.85
- Room divider panels can be hinged together to create 2, 3 or 4-way configurations
- Made in the USA

MOBILE GLASS DRY ERASE

Collaborate, communicate and create in style with MergeWorks mobile glass boards. Durable and built to last, our glass boards are made from high quality ¼-inch tempered safety glass, which is 4 times stronger than regular glass. Available in clear glass and white glass, our glass boards are designed for heavy usage and never dent, stain, streak, or ghost. Glass boards are available in 3 contemporary aluminum frame designs with our reinforced Eurocast mobile feet or free-standing foot options.

- Framework is constructed using reinforced aluminum extrusions
- All metal parts are anodized, or powder coated for an aesthetic and durable finish
- Eurocast feet are reinforced and have 3" locking casters
- Nesting frame design allows for easy space-saving storage
- Glass board is available in clear and white glass
- Annex board allows for customized lower core
- Made in the USA
