balance 1 swivel mouse

Description:

The Balance 1 SW is our best seller. With a lift and lock mechanism and a swivel mouse surface to get the mouse closer to your body (with independent tilt from the platform to keep in from rolling off when in negative tilt) this solution seems to work well for the majority of end users no matter what the scenario.

Specifications:

PLATFORM

- 1/4" ultra thin phenolic tray with swivel out mouse for maximum leg clearance
- tilt and swivel mouse surface with gel mouse pad provides infinite adjustment
- sliding mouse catcher with wire manager
- durable and comfortable polyurethane palm rest
- 19 1/2" x 11 1/2", plus 8-1/4" diameter mouse surface

MECHANISM

- 7 1/2” height adjustment (2.25" above track and 5.25" below) with spring assistance
- 0 - (-15) degrees of tilt adjustment
- Lift and lock technology—no knobs for height adjustment
- 360 degree rear swivel
- Meets BIFMA X 5.5-1998 standards
- Rugged steel construction with black powder coating
- 21" storage track with mounting hardware standard
