balance 3 MonkeyBoard

Description:

THE ULTIMATE PROBLEM SOLVER. the 3 works in 90 degree corners without a corner sleeve, has both a left and right mouse surface (just slide to one side or the other) and allows you to periodically STAND while you work.

Specifications:

Platform

- Stable low profile tray provides the platform for typing you need in an aesthetically pleasing design
- Anti-skid grips prevent keyboard from slipping
- Mousing surface adjusts easily from side to side for right and left handed usage (for multiple users or to just give your common hand some relief)
- Sliding mouse surface has multiple forward index positions allowing adjustment of mouse into neutral reach zone for the best possible posture
- Plug in foam-gel wrist rest offers gentle, easy to clean palm support
- Fits wave style keyboards and has built in ergonomic pull handle

Mechanism

- Increased height range from 8.25” above the track to 5.88” below track means comfortable positioning at seated or standing postures
- Spring assisted lift & lock mechanism allows precise height adjustments with minimal effort
- 360 degree rear swivel
- Positive tilt lockout promotes healthier negative tilt to reduce risk of repetitive stress injuries
- 23" storage track with mounting hardware standard

Features/Benefits:

- Fits in 90 degree corners without a cornermaker.
- Built-in sliding left/right hand mouse tray.
- Built-in finger wells on underside ease positioning.
- Built-in cord manager for mouse and keyboard cords.
- Built-in mouseguard keeps mouse in place.
- Memory Foam Palmrest is anti-microbial.

Platform size is 21" long x 13" deep.

Mousing surface is 8" x 12".

Mousing surface is optically friendly.

Supports most ergo computer keyboards.

Smooth underside will not snag clothing.
