Partition and protect

Now more than ever, our workspaces should be safe — free from distractions, contagions and anything that gets in the way of productivity. The Sector collection of clear and frosted acrylic screens stands ready to provide peace of mind.

Sector
Worksurface Screens

High-performing surface withstands some of the most powerful cleaners and disinfectants, including a full range of EPA-approved COVID-19 products.

Distance with style

You can fashion spaces that are as safe as they are colorful with Motif. Our family of protective, privacy and modesty screens features an array of durable tack-and-heal fabric options that are bleach-cleanable.

Motif
Worksurface Screens

Single-piece construction with HexaCore honeycomb center provides rigidity with less weight.

Write away (right away)

From big idea-making and simple note-taking, stay on task with a tool to help you work. Our Doodle markerboards provide essential privacy as a screen while promoting impactful productivity as a convenient place to write.

Doodle
Worksurface Screens

Non-ghosting, durable surface can withstand endless scribbles and wipes.

Wait with confidence

The patent-pending interlocking mounts of Sector seating screens provide fixed, consistent distancing between each chair — transforming current configurations while creating safer, more efficient floorplans.

4-Person Café

Tri-Fold Meeting

Safe and social

From individual desks to large board rooms, Sector tri-fold meeting screens are personal, mobile and adapt to the busy classroom or office easily. When it’s time for quick interactions or small get-togethers, 1-on-1 transaction and 2- and 4-person café screens help ensure everyone can socialize safely.

Adaptable peace-of-mind

Mobile and freestanding screens provide an easy-to-deploy solution for environments that are always in motion (but stand firm on providing protection that can flow while on the go).

Customize with Motif fabrics or Sector acrylic surfaces.

Moving forward

From meeting rooms to waiting rooms, the way we interact in our shared spaces has changed. Safe social distancing is more important than ever before — and shouldn't get in the way of coming together. Our collections of screens help provide the protection, privacy and productivity everyone needs in a world adapting to the new normal.
