Cross over collaboration

Mavic™

SitOnIt • Seating®

California born and bred

For 20+ years, we've been the go-to destination for built-to-order seating because we combine award-winning design with the fastest lead times around. Customizing is oh-so-easy with our industry-leading visualization tool – ChairBuilder™. We can build almost any specification you want, deliver it when you need it and offer a price no one can match. It's all part of our indie California spirit and drive to help you innovate and inspire.

Everything and more

Mavic is here to prove that a jack-of-all-trades can be a master of all. Looks, features, function, comfort and more – there's so much Mavic offers in a single, light-scale seat that it crosses over into new territory. So when it's time to enable collaboration (wherever and whenever you need it), Mavic sits ready to provide a radical new way to work.

Stay on task

Zoom past the hurdles of getting together with a chair made for active collaboration. A swivel-tilt or weight-activated mechanism powers the 8-hour cushion on Mavic, helping you work as long as you need to. And the slim, all-in-one frame with airy tension mesh keeps you light on your casters so that you can shift with ease.
