Aviera®

SitOnIt • Seating®

California born and bred

We’re a leading manufacturer of commercial solutions in the U.S. — and #1 in task chairs. From tables and lounge to screens and more, we’ve been the go-to destination for comprehensive, build-to-order solutions for almost 25 years. We combine award-winning design with the fastest lead times around, and our design and planning services can turn product innovation into your space inspiration. We’re able to build almost any specification you want, deliver it when you need it, and offer a level of value no one can match. It’s all part of our indie California spirit and drive to be the one place you go for any (and every) space.

Take a seat with confidence

Rest easy with supremely comfortable do-it-all seating for your public spaces. Aviera is simple to configure – across an entire collection – with worry-free design. Its value-driven DNA means Aviera is built to be durable, engineered to be flexible, designed to be customizable and created to be comfortable.

Outperform and outlast

Aviera outshines with a uniquely beveled frame and sturdy steel structure, with metal-to-metal connections, that can endure sit after sit – day after day. And if any part needs a refresh, its modular assembly means each piece is field-replaceable for a quick and easy fix.

Optional power port provides convenience while metal or wood frames, featuring an integrated steel structure, offer peace of mind.

Any space or place

From freespanning to freestanding, preconfigured and more, this collection provides a wide variety of chairs and coordinating tables to fit any area or application.

Safe and sound design

It's easy to get into (and out of) this healthcare hero when you have Healthier Hospital compliant options, non-skid footrests on hip chairs, non-corrosive aluminum frames, silver ion anti-microbial wood frames, ample clean-out spaces, wall-saving frames and arched arm rests.

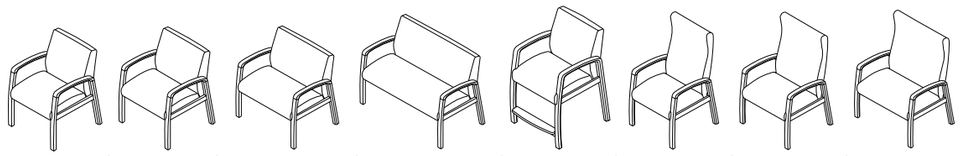

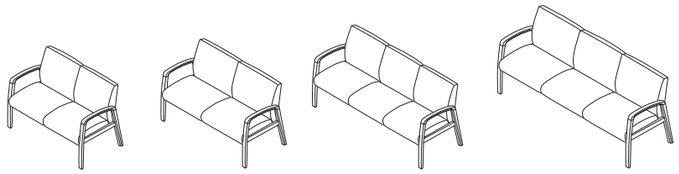

From corporate receptions to hospitality lounges, good things can come to those who wait when they experience everything this collection offers.
