Design with distinction

Cameo™

California born and bred

For 20+ years, we've been the go-to destination for build-to-order seating because we combine award-winning design with the fastest lead times around. Customizing is oh-so-easy with our industry-leading visualization tool — ChairBuilder®. We can build almost any specification you want, deliver it when you need it and offer a price no one can match. It's all part of our indie California spirit and drive to help you innovate and inspire.

Sleek, chic + unique

Tap into timeless beauty with a new take on an old classic. Cameo dares to move past tufted, boxy and overly square designs – both in shape and attitude — in style, with sophistication and a variety of looks reserved for the VIP suite.

Look and feel of floating

The cozy comfort of Cameo can send you soaring, and its looks are just as weightless. While base legs of other collections simply push seats off the ground, the slim ribbons of Cameo keep them from floating away.
