Perfect harmony

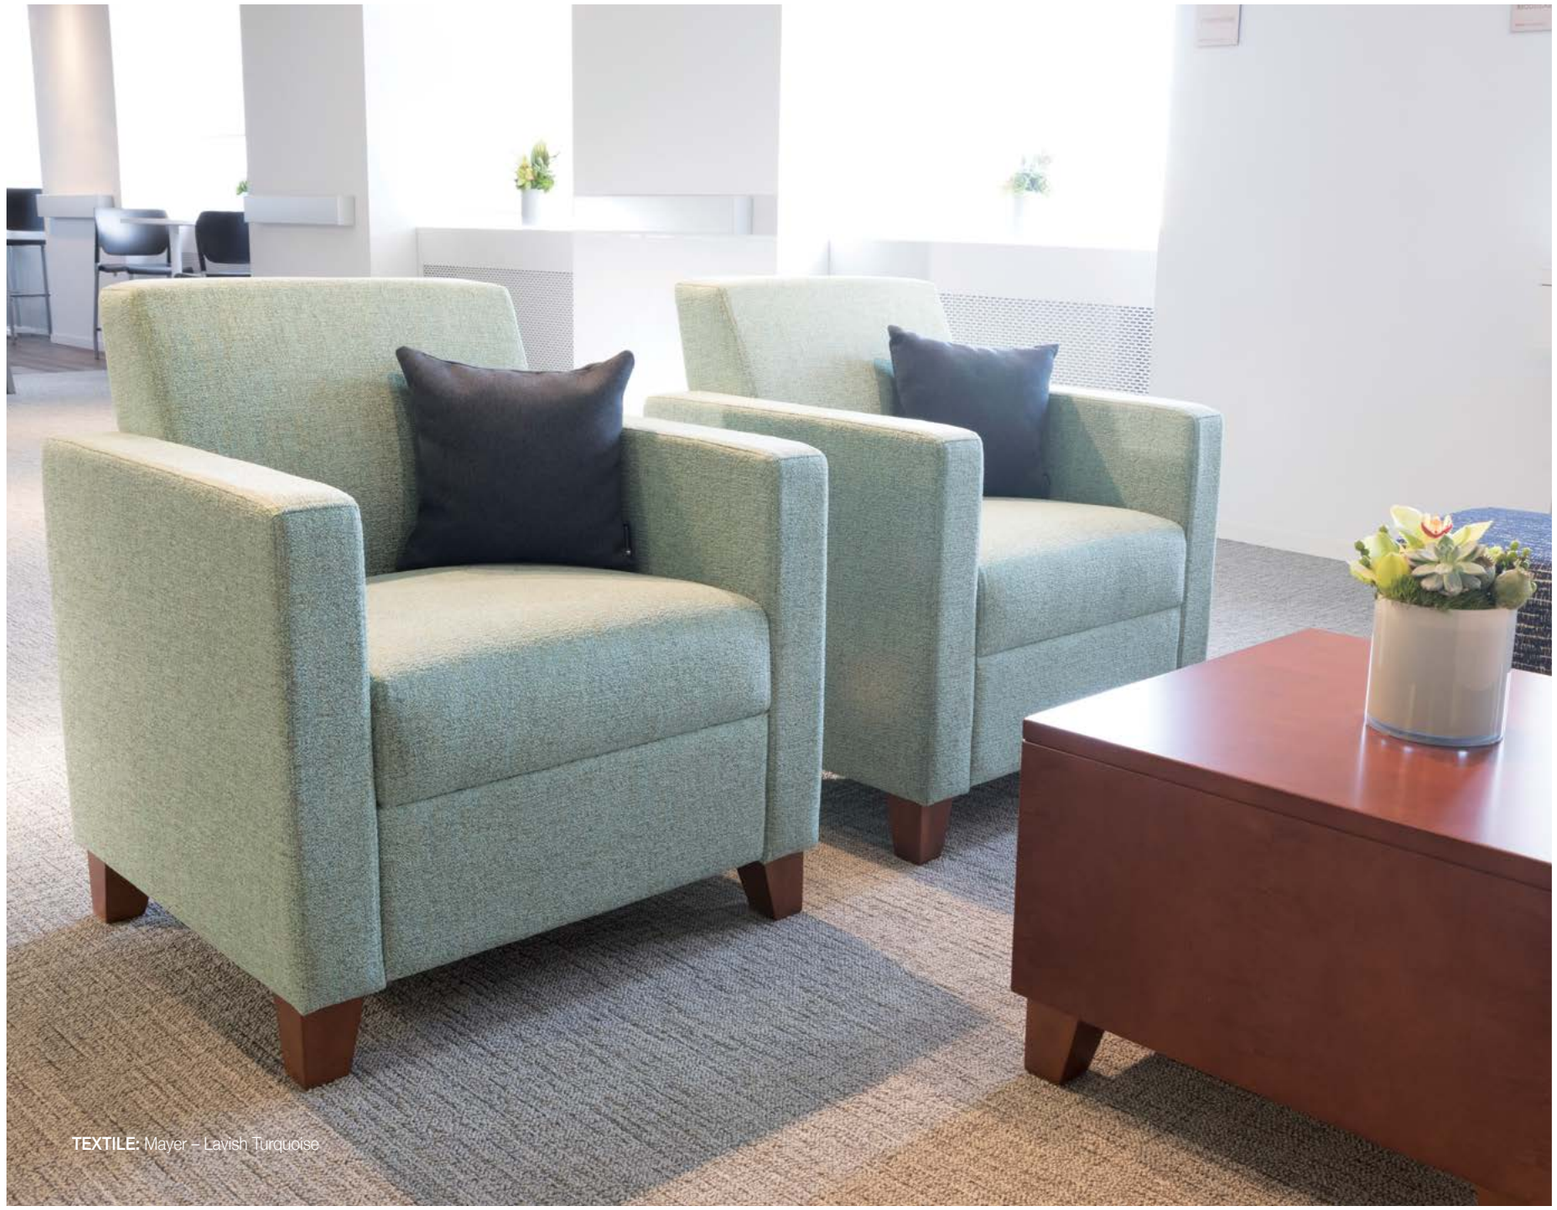

Composium®

SitOnIt • Seating®

Composium sharp

Modern and minimalist, Composium Sharp delivers contemporary style. Choose from three back styles, four valance styles and 11 foot styles for the perfect look for corporate, healthcare and higher education settings — just like you imagined.

TEXTILE: Mayer – Lavish Turquoise

Power up

Crafted with minimal seams for smoother integration and a cleaner look, our power units can be installed on the front of all our models.

TEXTILE: SitOnIt Seating – Cue Electric Blue; Maharam – Bevel Lazuli

Meet the family

TEXTILE: Green Hides – Rally, Black

Corporate

Tapered wooden feet lend sophistication to formal lobbies, while Composium Sharp with metal feet is a fine choice for more modern or industrial settings.

TEXTILE: Momentum – Odyssey, Rue; Momentum – Odyssey, Cruise

Higher education

The Composium Sharp club chair with optional tablet arm is perfect for socializing or impromptu study sessions in residence halls and public areas.

Hospitality

Available in settee, sofa, ottoman and bench models, the Composium Sharp club chair is a great solution for guest rooms and lobbies.

Healthcare

With steel rail construction to withstand daily usage, our Composium collection comes in a myriad of style options — choose from curve, sharp, flair or bench models.

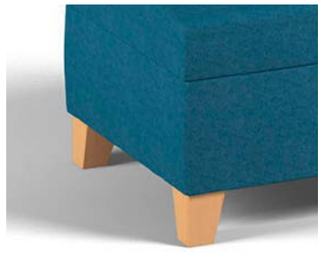

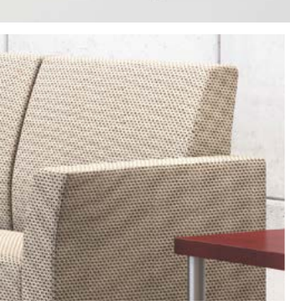

TEXTILE: Green Hides – Lena Pistachio; Momentum – Amuse Quartz

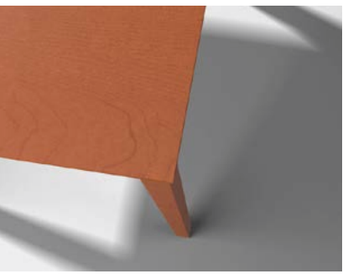

Design customization

Our revolutionary approach to design allows you to tailor each and every Composium piece to your exact needs. Anything you visualize can be achieved. Start with one of our four model collections and from there the sky is the limit. Customize your design with different back, valance and foot styles as well as a plethora of finish and textile options to create truly unique seating.

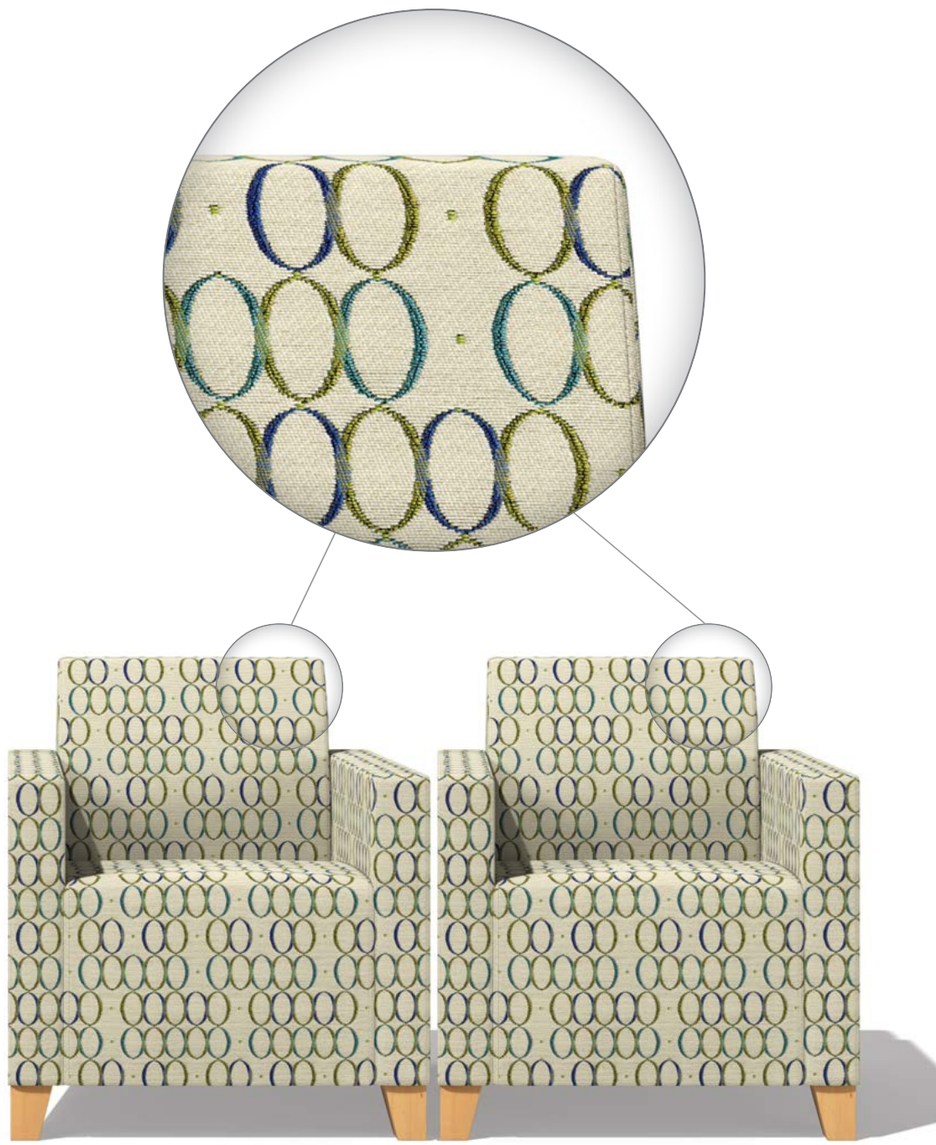

DISCOVER PATTERNMATCH®

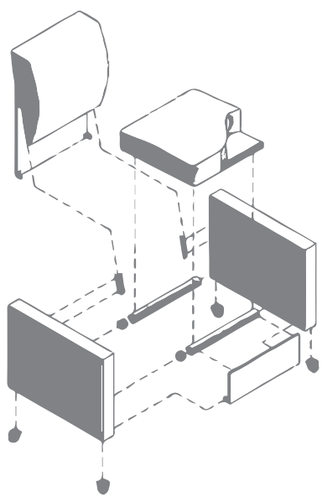

Our exact pattern matching service lines up patterns on each chair component (back, front and valance) for a precise, unified look.

Closer look

Construction

The unique SitOnIt Seating steel rail system creates a robust, durable understructure that withstands even the toughest environments. Each component is locked in place using multiple 5/16 grade 5 hex bolts through the rails.
Arms are anchored by a high-performance molded joint system, providing lasting durability and stability. Extra strength monofilament webbing creates excellent resilience, while high-density foam provides comfort and rebound in a low-profile cushion.

Sustainability

The SitOnIt Seating Take Back Program is designed to minimize product waste and make environmental responsibility easy for our customers. We partnered with the nonprofit environmental organization ANEW to offer a return program that matches surplus seating with those in need or recycles it to avoid landfill. Composium is GREENGUARD and GREENGUARD Gold certified to help improve indoor air quality and reduce exposure to harmful chemical emissions.

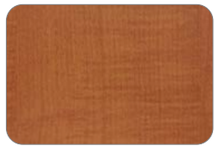

Extended Life

SitOnIt Seating chairs are designed to extend their useful life with field-replaceable components. It’s easy to order replacement parts.
