Lounge your way

Envoi is an existential experience of organic seating. The petal-like pieces encircle you with soft, rounded corners – providing extraordinary comfort and design that simply flows freely with any space or place.

Be more inclined to recline with a back that responds to the natural ways you move.

Elemental features

Nature loves diversity. And we want your spaces to be inspired by the variety it offers. Add a touch of warmth with wood or make it modern with metal. You can color your Envoi with thousands of textile options or add optional auto-return bases to keep your spaces looking fresh.

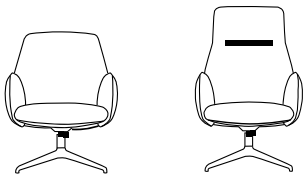

Midback or highback, sit back with unmatched style and comfort.
