MOVI™

SitOnIt • Seating®

Lean back. Nest easy.

Movement-inspired. Collaboration-friendly.

Discover a multipurpose seating solution that can adapt quickly to a constantly changing learning environment.

- **Caster design and flip-up seat provide easy nesting**
- **Bleach cleanable mesh back (10:1)**
- **Clean-out space for easy maintenance**
- **Flexes at the hip 14 degrees for enhanced comfort**
- **Movement-friendly back & arm support**

Rethink the classroom. From mid-lecture small group discussions to impromptu creative sessions, it's clear that any given learning space today is in a state of constant flux. Whether students are setting up, breaking down or making space for spontaneous collaboration, a high-design seating solution that can keep up with it all is essential.

Enter our Movi: an agile seating solution with a slim, modern frame and extra flexibility built right in for long-range comfort all day long.
