Lumin®

SitOnIt • Seating®

California born and bred

For 20+ years, we've been the go-to destination for built-to-order seating because we combine award-winning design with the fastest lead times around. Customizing is oh-so-easy with our industry-leading visualization tool – ChairBuilder™. We can build almost any specification you want, deliver it when you need it and offer a price no one can match. It's all part of our indie California spirit and drive to help you innovate and inspire.

Maximum versatility. Minimalist style.

Brighten up your common, multipurpose spaces with uncommon, multifaceted design. Lumin offers day-in-day-out comfort from a contoured seat and ultra-breathable, perforated back. Its slim, contemporary look and array of applications make this chair shine above the rest.

Turn on customization

Lumin lets you design without limits. Seat options? There's non-upholstered, fully upholstered or upholstered seat only. Wire rod, 4-leg, caster or counter/bar bases mean you can make it a stacking chair, guest chair, task chair or stool. When you choose between a variety of arms, three frame finishes, 14 shell colors and thousands of textile options, you'll always fashion the perfect fit.
