GOOD DESIGN

Made for take-fives and high-fives

Experience the freedom to do anything in one collection. Inspired by a world where you can surf and ski on the same day – or play on sandy beaches in the morning and sandy dunes in the afternoon – Paséa takes you beyond one-dimensional lounge furniture with cozy cloud-like comfort and the flexibility to be a destination for work or play.

WORK LOUNGE

Discover Active Lounge

We create the world's most comfortable task chairs, so of course we can do the same for lounge. The tapered base, comfort-scaled seat and built-in backrest with lumbar curve promote an active working posture, giving you the kind of all-day support you need when working at your desk.

1 **LEAN BACK** with lumbar-loving curves

2 **REST EASY** with soft seats and curved edges

3 **MAKE ROOM** for legroom with tapered bases

Very versalinear

Yep. We made up that word – because nothing else perfectly captures the freedom to create versatile spaces with every curvilinear and rectilinear configuration imaginable. Choose from a variety of super soft seats, benches and ottomans, including 90- and 120-degree pieces, to create the ultimate hangout.

There’s always a place to sit

Paséa is a comprehensive collection that pairs gapless benches with movable ottomans to ensure every square-inch of seating is super comfy and usable – so no one’s left out.

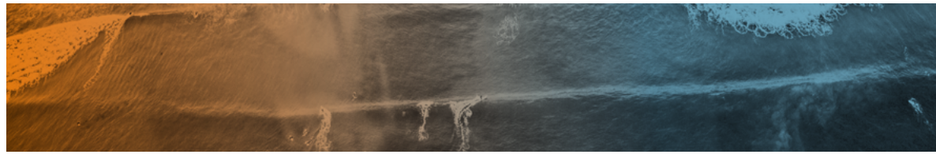

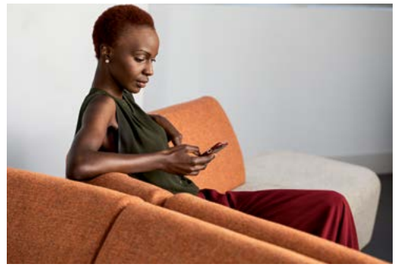

Extras beyond the ordinary

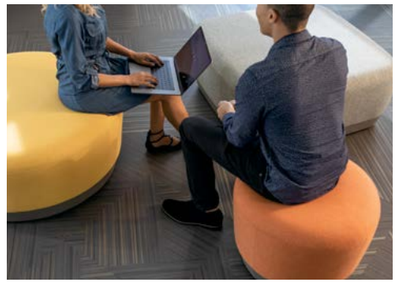

You can recharge while you relax with optional base power ports. And the dual upholstery gives you a beautiful diamond cut detail like no other modular lounge collection.

An able collection

Durable, affordable, comfortable and customizable.
Build Paséa to your specific requirements and discover versatility that's undeniable.

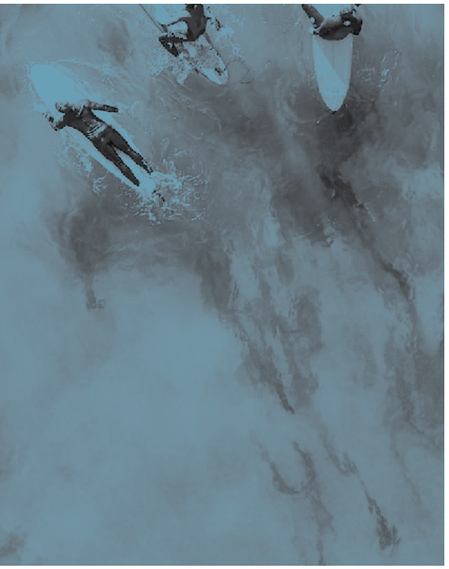

Corporate

Create custom and comfortable collaboration stations for quick work groups or in-person meetings.
