# ReAlign®

SitOnIt • Seating®

When sleek contour and control align.

# ReAlign

Contemporary tailored lines, a thin profile and enduring comfort make ReAlign a perfect chair for both task and conference use. The sculpted, ergonomically designed back and back height adjustment provide lumbar support in both midback and highback styles. A Heavy Duty 24/7 option and two stool heights expand the versatility of this collection. With five controls mechanisms and five arm styles to choose from, ReAlign can solve almost any office requirement.

HIGHBACK

MIDBACK

# Size & Control

ReAlign is available in two sizes, midback and highback. It is available in an astounding six different comfort and control mechanisms plus an optional seat depth adjustment. A back height adjustment supports the lumbar region and upper back.

Tailored lines, superior comfort and multiple mechanisms put ReAlign in a class of its own. Perfect for task and conference applications, ReAlign is a seating solution that will stand the test of time.

# Classic Comfort

The ReAlign collection is all about contemporary tailored lines and long-lasting comfort. The seat and back are two separate, cushioned pieces. A visco-elastic multi-layer seat cushion provides all-day comfort. The concave and convex back is sculpted for simultaneous ergonomic and aesthetic advantages.

# Plethora of Options

For task work, ReAlign can be customized with a stool or extended stool kit. Select a high profile polished aluminum base or a higher cylinder with a low profile base. The optional ballistic nylon backing protects against sharp objects. Finally, the Heavy Duty 24/7 alternative extends the weight capacity to 350 lbs.

# Features

- Thin profile highback and midback design
- Perfectly integrated concave and convex back designed for ergonomics and aesthetics
- Back height adjustment supports the lumbar region and upper back
- 300 pound weight capacity, or up to 350 lbs. with the Heavy Duty 24/7 option
- Lifetime Warranty on all structural components
- All options and 1000s of fabrics ship in 2, 5 or 10 days

# Options

**Height adjustable or height adjustable with pivot**
Up to 2.5" of height adjustment and 15 degrees of pivot.

**Height/width adjustable or height/width adjustable with pivot**
Up to 2.5" of height adjustment, 1.5" of width adjustment and 15 degrees of pivot.

**Loop**
The C-arm design features a soft, durable surface.

**Black Base**
A black resin base features one-piece, reinforced construction for durability and a smooth, lasting ride.

**Polished Aluminum**
The high-profile, polished aluminum base resists scratches and abrasions.
