MAVIC™

Cross over collaboration

Everything and more

Mavic is here to prove that a jack-of-all-trades can be a master of all. Looks, features, function, comfort and more – there's so much Mavic offers in a single, light-scale seat that it crosses over to a space totally untouched. So when it's time to enable collaboration (wherever and whenever you need it), Mavic sits ready to provide a radical new way to work.
