TR2®

SitOnIt • Seating®

Timeless and reliable.

Classic Design

The ergonomic design of the TR2 collection of executive, task, conference and stool seating radiates mission-critical functionality. A wide range of seat, back and base options create a multitude of customization opportunities that make the TR2 more versatile and comfortable than any other chair in its price range.

A Reliable Workhorse

The efficient, modest lines of the TR2 collection mimic the state of business: robust, reliable and not wasting a single step. Executive and task models offer arm and back height adjustments. Standard and extended stool heights with a heavy duty option allow targeted placement in areas where business operates 24/7 or optimal user comfort is desired.

The Full Control Executive

Flexibility doesn’t have to sacrifice comfort. The TR2 Executive provides complete ergonomic control, including enhanced synchro and fatigue-minimizing lumbar support. The foam topper seat and hundreds of upholstery options help to make this classic executive chair the ideal refuge for the productive manager.

Bring New Life To Work

Classic ergonomic design and lifetime durability combined with recognized reliability and affordability make the TR2 collection perfect for day-in, day-out performance while achieving an integrated look in the office.
