KEYBOARD TRAY SYSTEM

COMPACT TRAY SYSTEM

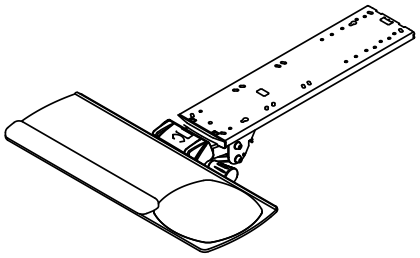

Designed for limited depth, straight worksurfaces and shallow keyboards that are less than 6" deep. The compact design makes full storage possible on 17" tracks in installations such as benching situations or shallow tops. The removable palm support adjusts easily from side to side to accommodate both right or left mouse use. Includes our Pinnacle 2 Value adjustable keyboard arm with nylon glide track. Ultra-thin phenolic material backed by our lifetime warranty provides years of dependable quality and performance.
