WILLOW DUAL

STREAMLINED & SPACE SAVING

The Willow Dual features a single post design engineered to support two lightweight monitors weighing from 1–14 pound each. The streamlined Willow Dual features a high performance spring and parallel link designed to keep monitors perfectly balanced while providing easy vertical adjustment.

Willow Dual is available with a C-Clamp or Grommet mount and the single pole design frees up valuable desk space while positioning monitors perfectly to increase both comfort and productivity.

The Willow Dual comes with a 10 year warranty ensuring years of reliable performance.

VESA quick release for easy installation.

Neatly stow cords under both arms.
