SIT TO STAND DESK

SOLACE ELECTRIC

The Solace Electric is the perfect retrofit solution if you are looking for electric adjustability but wish to keep your current desk. The Programmable Control does more than just raise and lower the system since it also includes three pre-programmed heights. No more hunting around for the right position. Add Monitor Brackets for either dual or triple monitor configurations and watch your productivity soar! The lifting mechanism will raise both your keyboard platform as well as a spacious secondary worksurface with up to 110 lb. of equipment. Solace Electric comes mostly assembled, requiring one easy step to attach your removable keyboard tray and another to add your monitors.

Specifications:

- Programmable Control with three memory presets
- Dual worksurface includes independent keyboard surface
- 110 lb. lifting capacity for worksurface, 11 lb. for keyboard platform
- 17.1" lifting range, 23.2" above desktop
- Primary Worksurface:
  - 25.6" W × 15" D
- Keyboard surface (removable):
  - 26.4" W × 7.1" D

Monitor Mount Specifications:

- Supports one monitor up to 22 lb.
- Standard VESA (75 mm & 100 mm)

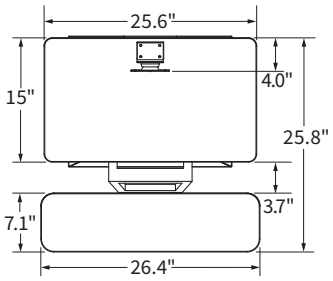

Optional Monitor Bracket:

- Optional Dual or Triple Monitor Brackets support monitors up to 22 lb. each
- Monitor mount bracket can be installed in two locations for better height fit
